MONDAY, JUNE 29TH, 2009

8:30 A.M. – 10:30 A.M.

Vanderbilt 204 THERAPEUTIC JURISPRUDENCE AND MENTAL HEALTH LAW

Early Intervention and Therapeutic Jurisprudence: From data to dilemmas
Ian Freckelton, Monash University

Promoting Well-Being without Sacrificing other Important Values
Robert Schopp, University of Nebraska

Comparative Analysis of Two Structures for Restoration for Competency to be Tried
Charles LoPiccolo, Consulting Psychiatrist, Fort Lauderdale, USA

Necessary Remedy: Injecting therapeutic jurisprudence into American employment law
David Yamada, Suffolk University

Vanderbilt 216 ETHICAL ISSUES IN CLINICAL PRACTICE

Mea Culpa! “You Say Accountability I Say Culpability!”
Richard Mottershead, Glyndwr University

Towards a Logic of Empowerment: Methods of accountability
Marjorie Lloyd, Glyndwr University

Boundary Issues in Clinical Practice
Thomas Gutheil, Harvard University

Psychologists’ Competence: Which issues generate client complaints?
Ann Knowles, Swinburne University of Technology

Vanderbilt 208 MENTAL HEALTH EVALUATIONS FOR JUVENILE COURT: ASSESSMENT OF DISORDERS, ADVICE AND SENTENCING

Psychiatric Disorders among Juvenile Delinquents in Relation to Criminal Responsibility and Sentencing by Juvenile Court
Maaïke ten Berge, Erasmus University

Quality of Mental Health Evaluations, Advice and Sentencing by Juvenile Court
Nils Duits, Netherlands Institute of Forensic Psychiatry and Psychology, Amsterdam

Violence Risk Assessment in Mental Health Evaluations of Youth
Steven van der Hoorn, Netherlands Institute for Forensic Psychiatry and Psychology, Amsterdam

Clinical Effectiveness of Neurofeedback with Juvenile Delinquents Suffering from ADHD-Problems & Comorbid Disorders: Preliminary results
Chijs van Nieuwenhuizen, Youth Forensic Psychiatric Hospital, Eindhoven, The Netherlands

Furman 212 CAPITAL PUNISHMENT I

Moral Culpability, Blameworthiness, and the Death Penalty in the United States
Mark E. Olive, Attorney-at-Law, Tallahassee, USA

Role of Social Histories in Capital Case Defense in the United States
Scharlette Holdman, Center for Capital Assistance, San Francisco, USA

Discussants:
Anthony Amsterdam, New York University

Paul S. Appelbaum, Columbia University

Furman 210 COERCION IN THE COMMUNITY? PERSPECTIVES ON MANDATED COMMUNITY TREATMENT AND MENTAL HEALTH AND JUSTICE SERVICES IN TORONTO

The Impact on Family Members when a Relative is on a Community Treatment Order
Alison Hunt, The Canadian Mental Health Association, Toronto

Community Treatment Orders (CTOs) among Ethno-Racial Communities in Toronto: Theoretical, ethical and empirical perspectives
Magnus Mfoafo-M'Carthy, University of Toronto

Staff Perceptions of Community Treatment Orders (CTOs): The Toronto experience
Kaajal Balkaran, The Centre For Addiction and Mental Health, Toronto

Correlates of Violence Severity among Persons with Major Mental Illness
Involved in the Criminal Justice System
Frank Sirotych, University of Toronto

Furman 214 IMPACTS ON CHILDREN'S MENTAL HEALTH

Evaluating Cultural Competence in Child Custody Proceedings
Cynthia R. Mabry, Howard University

Parents' Perceptions of Parenting with a Mental Illness
Elaine Mordoch, University of Manitoba

A Comprehensive Response for Children Exposed to Domestic Violence
Cheryl E. Amana-Burris, North Carolina Central University

Psychological Impact on Children of the Death of Parent by the Police
John L. Burris, National Police Accountability Project, Oakland, USA

Neighborhoods, Exposure to Violence, Mental Health and Crime
David Freedman, Capital Resource Counsel Project, Little Rock, USA

Vanderbilt 202 ETHICAL ISSUES IN FORENSIC MENTAL HEALTH PRACTICE

Isaac Ray's Medical Jurisprudence and the Birth of American Forensic Psychiatry
Kenneth J. Weiss, University of Pennsylvania

Protecting the Incapable as Ends in Medicine
Austen Garwood-Gowers, Nottingham Trent University

Shame and Social Pain: Mechanisms of rejection and its consequences
Maurice Preter, Columbia University

Free Will's Illusion: The new frontiers of science
Giovanni Lecci, University of Rome La Sapienza

Ignored and Excluded: Consequences of ostracism
Kip Williams, Purdue University

Furman 326 THE LAW'S RESPONSE TO DEMENTIA, DELIRIUM AND DEPRESSION

Legal Capacity, Delirium and Depression

Lawrence A. Frolik, University of Pittsburgh

Liability Issues in Determining Decisional Capacity in Older Persons with
Dementia, Depression, or Delirium

Marshall Kapp, Southern Illinois University

Professional Responsibility for Lawyers Dealing with Clients with Diminished
Capacity

Mary F. Radford, Georgia State University

Legal Capacity and the Right to Vote

Nina Kohn, Syracuse University

Capacity, Changing Capacity, Mortgages and Elders in Australia

Fiona Ruth Burns, University of Sydney

Furman 334 IMAGERY IN THE COURTROOM: NEW WAYS OF SEEING EVIDENCE

Criminal Predators and What to Do about Them: Popular imperatives from
screen-based reality

Richard K. Sherwin, New York University

Outward and Visible Signs and the Desire for Predictability

Christina Spiesel, Yale University

The Many Meanings of Brain Images

Neal Feigenson, Quinnipiac University

“A World of Made is Not a World of Born”: Neuroscience, visual rhetoric, and
the monstrosity of child sexual offenders

Pamela D. Schultz, Alfred University

“If my Thought-dreams Could Be Seen, They'd Probably Put my Head in a
Guillotine”: Visualizing the monstrous brain

John Douard, Rutgers University

Vanderbilt 214 THE ISTANBUL PROTOCOL: MEDICAL DOCUMENTATION OF TORTURE

Promoting the Effective Documentation of Torture: Challenges and achievements

*Brita Sydhoff, International Rehabilitation Council for Torture Victims, Copenhagen,
Denmark*

Medical Documentation of Torture According to the Istanbul Protocol: Examples from Guantanamo, Serbia/ Kosovo and Russia/Georgia

Önder Özkalıpci, International Rehabilitation Council for Torture Victims, Copenhagen, Denmark

Use of Medical Evidence in Legal Proceedings on Torture Allegations

Miriam Wernicke, International Rehabilitation Council for Torture Victims, Copenhagen, Denmark

The Istanbul Protocol: Preventing torture through documentation

Jose Quiroga, International Rehabilitation Council for Torture Victims, Copenhagen, Denmark

Vanderbilt 206 ISOLEMENT ET CONTENTIONS I

Philosophie de la formation Oméga et problématique de l'emploi de la force dans l'intervention en santé mentale

Jean-François Labrecque, Institut Philippe Pinel, Montréal, Canada

Démarche d'implantation et de suivi des orientations ministérielles sur l'utilisation des mesures de contrôle: Contention et isolement à l'Hôpital Louis-H. Lafontaine

Geneviève Ménard, Hôpital Louis-H. Lafontaine, Montréal, Canada

Formulaire électronique d'application de l'isolement et contentions

Nathalie Bisailon, Hôpital Louis-H. Lafontaine, Montréal, Canada

Projet pilote visant à décrire des interventions infirmières lors de l'utilisation de mesures de contention et d'isolement en contexte psychiatrique

Caroline Larue, Université de Montréal

Furman 120 DESAROLLO Y RESILIENCIA

Síntoma y delito en la familia

Julia Rosa Piaggio, Universidad Nacional Mayor de San Marcos

Jóvenes infractores de ley, resiliencia y educación

Eugenio Saavedra, Universidad Católica del Maule

Brigadas psicológicas

Doris Argumedo Bustinza, Pontificia Universidad Católica del Perú

Violencia en Latinoamérica

Julio Arboleda-Flórez, Queen's University

Afrontamiento al estrés y resiliencia en niños de la calle de Lima metropolitana
Aurea Alcalde, Universidad San Marcos

MONDAY, JUNE 29TH, 2009

10:30 A.M. – 12:30 P.M.

Vanderbilt 204 JUDGING IN A THERAPEUTIC KEY: MENTAL HEALTH COURT,
 COMMUNITY COURT, AND ELDER ABUSE INITIATIVES

Mental Health Courts, Therapeutic Jurisprudence and International Human Rights
 Law

Michael Perlin, New York Law School

The Accidental Infusion of Therapeutic Jurisprudence and Charter Rights into
 Mental Health Courts

Richard Schneider, Ontario Court of Justice, Toronto, Canada

Canada's New Problem-Solving Approach to Criminal Justice

Thomas Gove, Provincial Court of British Columbia, Vancouver, Canada

A Coordinated Community Response to Elder Abuse

Sherry Van de Veen, Provincial Court of Alberta, Calgary, Canada

Order in the Court: A plea for therapeutic and prudent Mental Health Courts

Bruce David, Nassau University Medical Center

Vanderbilt 216 RECENT FINDINGS ON PSYCHOPATHY AND ON ASSESSMENT, SELF-
 REGULATION MODEL, AND POLICY FOR SEX OFFENDERS

Psychometric Properties of the J-SOAP-II

Amanda M. Fanniff, University of Arizona

Self-Regulation and Sex Offending Behaviors in a Psychiatric Population

Jill D. Stinson, Fulton State Hospital, Fulton, USA

Sex Offender Management Policy in the United States: To what extent is it
 evidence-based?

Kurt M. Bumby, Center for Effective Public Policy, Silver Spring, USA

The Psychophysiology of Empathy: Implications for psychopaths and sex
 offenders

Laura G. Kirsch, University of Arizona

The Hare Psychopathy Check-list Revised: Reliability and norms for a sample of Chilean inmate population

Elizabeth Leon Mayer, Del Mar University

Lester Pollack NEW CONCEPTS & ISSUES IN PUBLIC HEALTH LAW & REGULATION

Governance of Public Health Emergencies through Ethics and Human Rights

Lance Gable, Wayne State University

The World Health Organization, Human Rights, and the Failure to Realize Health for All

Benjamin Mason Meier, Columbia University

What Can Social Justice Philosophy Contribute to Public Health?

Sridhar Venkatapuram, University College London

When People Live and Die with Multiple Chronic Diseases: Meeting a new global public health challenge in the age of the internet and social media

Alejandro R. Jadad, University of Toronto

Vanderbilt 208 COGNITION, MEANING-MAKING, AND LEGAL ARGUMENTATION

Linguistic Representation of the “Mental Competence” Concept in Advance Directives

Anabel Borja Albi, University Jaume I-Madrid

Subconscious Physical Metaphors in Modern Legal Concepts

Carl S. Bjerre, University of Oregon

The Impact of Cognitive Processes and Heuristics on Legal and Policy Decisions: The law & psychology approach

Catherine Regis, University of Sherbrooke

Interpreting Legal Metaphors: New cognitive models for meaning-making and tools of analysis

Lucia Morra, University of Turin

Aspects of Individual and Social Knowledge in Developing Legal Concepts

Jan Engberg, University of Aarhus

Narratives of European Legal Translation

Anne Lise Kjær, University of Copenhagen

Furman 210 PROFESSIONAL ETHICS AND MULTIDISCIPLINARY INTERVENTIONS
 INVOLVING FORENSIC AND MENTAL HEALTH PRACTITIONERS

Creating Common Ethical Highground in Multidisciplinary Family Violence
 Interventions

Ann Marie Dewhurst, Athabasca University

Multidisciplinary Teams: Walking the tight-rope of collaboration

Glenda Malina, Wellspring Counselling, Edmonton, Canada

When the Respect for the Dignity of Persons Conflicts with Law Enforcement

Rita L. Balanko, Consulting Psychologist, Edmonton, Canada

Flying with a Safety Net

Karen Nielsen, Athabasca University

Lawyers and other Professionals as Insincere Actors

Lawrence M. Solan, Brooklyn Law School

Furman 212 MENTAL HEALTH COURTS AND TRIBUNALS I

Toronto Mental Health Court: A defense counsel's appraisal

Edward J. Kelly, Barrister and Solicitor, Toronto, Canada

Mental Health Tribunals: A 'relational case-conference' to pursue fairness,
 freedom and treatment?

Terry Carney, University of Sydney

Looking through the Eye of the Offender: Understanding the client perspective of
 mental health court

Mary Ann Campbell, University of New Brunswick

Critical Perspectives on Toronto's Mental Health Court

Margaret Creal, Crown Attorney, Toronto, Canada

Furman 334 NORDIC PERSPECTIVES ON PSYCHOPATHY, MENTAL DISORDER &
 VIOLENCE, RISK ASSESSMENT, AND LEGAL INSANITY

Psychopathy, Homicidal Crime Scene Behavior and Impression Management in
 Court

Helinä Häkkänen-Nyholm, National Bureau of Investigation, Helsinki, Finland

The Relationship between Mental Disorder and Violent Behavior from the Finnish Perspective

Markku Eronen, Vanha Vaasa Hospital, Vasa, Finland

Risk Assessment from the Swedish Perspective

Mats Dernevik, National Prison Services, Kumla, Sweden

Criteria for Legal Insanity in Norway: Solely based on tradition?

Oyvind Holst, Ullevaal University

Clinical Facets of Psychopathy within Forensic Psychiatry

Märta Wallinius, Lund University

Psychopathic Traits and Presentation in Female Violent Offenders Compared to Male Offenders in a Swedish Prison Sample

Ann-Christine Samuelsson, National Prison Services, Kumla, Sweden

Vanderbilt 206

HÉBERGEMENT RÉADAPTATIF ET INTÉGRATION SOCIALE DE LA CLIENTÈLE PSYCHIATRIE-JUSTICE I

REHABILITATIVE HOUSING AND SOCIAL INTEGRATION OF MENTALLY-ILL ADULTS INVOLVED WITH THE JUSTICE SYSTEM I

*Simultaneously translated into English

Services de réadaptation et d'hébergement dans la communauté: intégration sociale et gestion des risques pour une clientèle psychiatrie-justice

Rehabilitation and Housing Services in the Community: Social integration and risk management for adults with mental illness involved with the justice system

Jean Jacques Leclerc, Hôpital Louis-H. Lafontaine, Montréal, Canada

L'apprentissage de la liberté dans la communauté: Besoins, valeurs et approches novatrices en réadaptation psychosociale pour la clientèle psychiatrie

justice

The Taming of "Freedom" in the Community: Needs, values, and psychosocial rehabilitation innovative approaches for adults with mental illness involved with the justice system

Luc Legris, Hôpital Louis-H. Lafontaine, Montréal, Canada

L'accès au réseau d'hébergement psychiatrie justice du grand Montréal: Les facteurs facilitateurs et les obstacles

Access to the Residential Resources Network in the Greater Montreal Area for Mentally-Ill Offenders: Facilitators and obstacles

Sylvie Champagne, Hôpital Louis-H. Lafontaine, Montréal, Canada

Le quotidien dans une ressource d'hébergement pour une clientèle de psychiatrie justice: La perspective d'un intervenant de la Maison l'Intervalle et d'usagers des services

Daily Life in a Residential Resource for Mentally-Ill Offenders: The perspectives of a staff member of the *Maison l'Intervalle* and of service users
Yves Boileau, Maison l'intervalle, Montréal, Canada

Furman 120 DERECHOS HUMANOS Y PSIQUIATRÍA FORENSE I

Evaluaciones neuropsicológicas en trasgresores Brasileños jóvenes
Maria Fernanda Faria Achá, Universidade de São Paulo

Psicopatología e interpretaciones de la muerte
Guillermo Diaz Pintos, Universidad de Castilla-La Mancha

Historia sexual de los imputados de abuso sexual evaluados en el servicio médico legal de Osorno, Chile
Mauricio H. Jeldres Vargas, Servicio Medico Legal, Osorno, Chile

Error médico en Psiquiatría en Brasil
Barbara Camargo Chiaramonti, Universidade de São Paulo

MONDAY, JUNE 29TH, 2009

2:15 P.M. – 4:15 P.M.

Vanderbilt 204 THERAPEUTIC JURISPRUDENCE TECHNIQUES FOR JUDGING

Applying Principles of Therapeutic Jurisprudence in Dependency Court
Jeri Beth Cohen, Dade County Court, Florida, USA

Should Problem-Solving Courts be Solution-Oriented Courts?
Michael King, Monash University

The Therapeutic Judge and the Settlement Judge: An Israeli perspective
Karni Perlman, Bar-Ilan University

Motivational Structures and Anticipated Emotion in Specialized Courts
Richard L. Wiener, University of Nebraska-Lincoln

Vanderbilt 216 THE RISE OF THE PREVENTIVE STATE I

The Rise of the Preventive State: Historical foundations
Paul A. Lombardo, Georgia State University

A Defense of the Preventive State
Christopher Slobogin, Vanderbilt University

The Tangled Wing: Biological constraints on enlightenment justice
Jeff Victoroff, University of Southern California

Neurotransmitters and Aggression
Allan Siegel, University of Medicine & Dentistry of New Jersey

Vanderbilt 202 INTIMATE PARTNER VIOLENCE AND SEXUAL OFFENDING: IMPLICATIONS
 FOR PRACTICE AND POLICY

Understanding Intimate Partner Violence in the Context of the Family
Louise Dixon, University of Birmingham

The Influence of Actuarial Risk and Denial on Sexual Recidivism
Leigh Harkins, University of Birmingham

Juvenile Sexual Offenders
Moisés Próspero, University of Utah

Practice and Policy Implication of Public Attitudes to Sex Offenders
Sarah Brown, Coventry University

Vanderbilt 208 LAW AND THE EMOTIONS

Vengeance and Reconciliation: Two historical models of law and the emotions
John Stannard, Queen's University of Belfast

Not Everything that Glitters is Gold: Refining restorative justice as a vehicle for
 therapeutic jurisprudence
Jonathan Doak, Nottingham Trent University

Emotion or Science? A history of infanticide legislation
Karen Brennan, Queen's University of Belfast

Civil Juries: The impact of gruesome evidence and plaintiff injury severity
David Bright, University of New South Wales

Extreme Emotional Disturbance: Regional differences in attribution of guilt

when defendants use a provocation defense
Evan Harrington, Chicago School of Professional Psychology

Furman 210 STRATEGIC APPROACHES TO VIOLENCE WITHIN MENTAL HEALTH

Preparing for Rare Events: Strategic approaches to crisis situations
Michael W. Jennings, Partnerships in Care, Warrington, UK

The Psychopharmacology of Violence: Avoiding the avoidable
Mike Launer, Partnerships in Care, Warrington, UK

‘In the Mood’: Emotional intelligence as a framework for violence therapy with
mentally disordered offenders
Emma Shillabeer, Partnerships in Care, Warrington, UK

“Knock Him Down First and Pity Him Afterwards”: From violence formulation
to function
Katie E. Bailey, Partnerships in Care, Warrington, UK

Furman 214 DROITS ET SOINS DE SANTÉ

Tribunal de la santé mentale: Interventions criminologiques à la cour municipale
de Montréal
Caroline Despatie, Institut Philippe Pinel de Montréal, Canada

Le secret professionnel et ses limites: Comment concilier alliance thérapeutique
et protection du public
Michel Raymond, Institut Philippe Pinel de Montréal, Canada

Évaluation clinique, décisions légales et mise en liberté provisoire
Thierry Webanck, Institut Philippe-Pinel de Montréal, Canada

Personne de confiance et directives anticipées: Vulnérabilité, autonomie et
relation de soins
Noëlle Carlin, CHU de Grenoble, France

La maîtrise de son corps par la personne dans les récents développements
législatifs en Belgique
Evelyne Langenaken, Université de Liège

Furman 212 PHILOSOPHY OF PSYCHIATRY

Mental Health and Morality: Two conceptually distinct categories?

Per-Anders Tengland, Malmo University

Can we Define Mental Disorder by Using the Criterion of Mental Dysfunction?

Thomas Schramme, Swansea University

Harm-Minimization: Physician-assisted self-harm?

Kerry Gutridge, University of Bristol

“False Positives” in Psychiatric Diagnosis from the Harmful Dysfunction

Perspective: Implications for human freedom

Jerome Wakefield, New York University

Vanderbilt 206

HÉBERGEMENT RÉADAPTATIF ET INTÉGRATION SOCIALE DE LA
CLIENTÈLE PSYCHIATRIE-JUSTICE II

REHABILITATIVE HOUSING AND SOCIAL INTEGRATION OF MENTALLY-ILL ADULTS
INVOLVED WITH THE JUSTICE SYSTEM II

*Simultaneously translated into English

Profils cliniques et psychosociaux, selon les besoins résidentiels, des patients avec
des troubles mentaux sévères et persistants

Clinical and Psychosocial Profiles, According to Residential Needs, of Severely
Mentally-Ill Patients

Alexandre Dumais, Institut Philippe Pinel, Montréal, Canada

Support clinique et traitement en lien avec la réadaptation et l'intégration sociale
de la clientèle psychiatrie justice

Clinical Support and Treatment in Relation to Rehabilitation and Social
Integration of Adults with Mental Illness Involved with the Criminal Justice
System

Christine Lamarre, Institut Philippe-Pinel, Montréal, Canada

Pour une approche concertée auprès de la clientèle en psychiatrie-légale: La
police de Montréal en tant que partenaire

A Concerted Approach: Montreal Police Service as a partner towards the social
integration of mentally ill adults involved with the justice system

Michael Arruda, Service de Police de la Ville de Montréal, Canada

La mise en place de ressources adaptées aux besoins de la clientèle de la
psychiatrie justice: Un enjeu majeur

Implementation of Community Resources Customized to the Needs of Adults
with Mental Illness Involved with the Justice System: An important concern

Alain Lesage, Hôpital Louis H. Lafontaine, Montréal, Canada

Furman 120

CONDUCTAS VIOLENTAS Y EVALUACIONES DE RIESGO I

Investigación en evaluaciones de riesgo y psicopatía en Latinoamérica
Jorge O. Folino, Universidad Nacional de La Plata

Conducta autodestructiva e instituciones forenses
Vivian Day, Consulting Psychiatrist, Porto Alegre, Brazil

Evaluación de riesgo de violencia en hospital psiquiátrico forense brasileño
Lisieux E. de Borba Telles, Hospital Porto Alegre, Brazil

Psiquiatría forense en Paraguay: Historia, desarrollo y actualidad
José Vera Gómez, Ministerio Público de la República del Paraguay

Salud mental en población inmigrante
Ariel Castro, Universidad de Chile

MONDAY, JUNE 29TH, 2009

4:15 P.M. – 6:15 P.M.

Vanderbilt 216 STALKING AND THREAT MANAGEMENT

Stalking of Health-Care Professionals
Gail Erlick Robinson, University of Toronto

Multi Agency Threat Management: A comparison of three countries
Totti Karpela, Threat Management Company, Helsinki, Finland

Threat Assessment of Targeted Violence: An overview and practical considerations
Mario J. Scalora, University of Nebraska at Lincoln

Stalking and Serious Violence: An Italian research
Chiara Sgarbi, University of Modena

Threat Assessment
Tschan Werner, Zurich University

Vanderbilt 202 THE RISK NEED RESPONSIVITY MODEL, THE GOOD LIVES MODEL, AND RISK-MANAGEMENT

The Risk-Need Model
Ida Dickie, Spalding University

The Risk-Need Model and Good Lives Model
Astrid Birgden, Compulsory Drug Treatment Correctional Centre, Sydney, Australia

The Good Lives Model: Myths and misconceptions
Theresa A. Gannon, University of Kent

Offender Reintegration: An RNR-GLM framework
Sharon Casey, University of South Australia

Vanderbilt 208 REDUCING THE USE OF RESTRICTIVE MEASURES IN THE NETHERLANDS I

Nurse Led Structured Crisis Monitoring Versus Clinical Judgment: Effects on aggressive incidents and coercive interventions in acute psychiatric practice
Roland van de Sande, BAVO Europoort, Rotterdam, The Netherlands

The Influence of Staff Characteristics on Choices Nursing Teams Make When Applying Restrictive Measures in Psychiatric Settings
Wim Janssen, GGNet, Warnsveld, The Netherlands

A Study into Determinants of Aggression Whether or Not Followed by Seclusion
Fleur Vruwink, Mediant GGZ Twente, Enschede, The Netherlands

Randomized Controlled Trial of Effect of Chemical Restraint versus Seclusion on Mental Functioning and Restriction to Human Rights
Irina Georgieva, Erasmus University

Trends and Determinants in Using Restrictive Measures
Eric Noorthoorn, GGNet, Warnsveld, The Netherlands

Furman 210 THE RISE OF THE PREVENTIVE STATE II

When Is Prevention of Harm Harmful?
Eric S. Janus, William Mitchell College of Law

Screening for Mental Disorder and the Preventive State
Jerome Wakefield, New York University

The Rise of the Preventive State

James A. Gilson Jr., New Jersey Public Defender, Newark, USA

We Know Deviance when We See It

Chrysanthi Leon, University of Delaware

Psychiatrists, blindness and memory loss?
