

XXXIst International Congress on Law and Mental Health

New York University Law School

David N. Weisstub
Chair
Université de Montréal

International Scientific Committee

David N. Weisstub
Chair
Université de Montréal / Institut Philippe Pinel

Aurea Alcalde
Henrik Anckarsater
Wendy Austin
Harold Bursztajn
Julio Arboleda-Florez
John Douard
Roberto Catanesi
Thomas Gutheil
Leonard Kaplan
Norbert Konrad
Danielle Laudy

Karel Oei
George Palermo
Michael Perlin
Maurice Preter
Enrique Sepulveda
Jagannathan Srinivasaraghavan
Jose Taborda
Thomas Wenzel
Bruce Winick
George Woods

MONDAY, JUNE 29TH, 2009

9:00 A.M.

- Room A THERAPEUTIC JURISPRUDENCE AND MENTAL HEALTH LAW
- Early Intervention and Therapeutic Jurisprudence: From Data to Dilemmas
Ian Freckelton, Barristers' Clerk Howells, Melbourne, Australia
- Neuroscience and Therapeutic Jurisprudence: Collision or Synthesis
Warren Brookbanks, University of Auckland
- Promoting Well-Being without Sacrificing Other Important Values
Robert Schopp, University of Nebraska
- Comparative Analysis of Two Structures for Restoration for Competency to be Tried
Charles Lipiccolo, Forensic Psychiatrist, Fort Lauderdale, USA
- Room B ACCOUNTABILITY AND NARRATIVE ETHICS
- Accountability and Narratives
Alexander Carson, Glyndwr University
- Mea Culpa! – “You Say Accountability I Say Culpability!”
Richard Mottershead, Glyndwr University
- Towards a Logic of Empowerment – Methods of Accountability
Marjorie Lloyd, Glyndwr University
- Ethical Considerations of New Legislation in England and Wales: Mental Health Act, Mental Capacity Act, Human Rights Act
Peter Lepping, University of Wales
- Room C "PRIMUM NON NOCERE" - FIRST DO NO HARM: MITIGATING OR ELIMINATING THE INHERENT HARM IN FORENSIC MENTAL HEALTH PRACTICE
- Isaac Ray's Medical Jurisprudence and the Birth of American Forensic Psychiatry
Kenneth J. Weiss, University of Pennsylvania

Philosophical Aspects of Harm in Forensic Psychiatry
Claire Pouncey, Temple University

Primum Non Nocere: First Do No Harm
Robert L. Sadoff, University of Pennsylvania

Protecting the Incapable as Ends in Medicine
Austen Garwood-Gowers, Nottingham Trent University

Room D **MENTAL HEALTH EVALUATIONS FOR JUVENILE COURT: ASSESSMENT OF DISORDERS, ADVICE AND SENTENCING**

Psychiatric Disorders among Juvenile Delinquents in Relation to Criminal Responsibility and Sentencing by Juvenile Court
Maike ten Berge, Erasmus University Rotterdam

Quality of Mental Health Evaluations, Advice and Sentencing By Juvenile Court
Nils Duits, Netherlands Institute of Forensic Psychiatry and Psychology, Amsterdam, The Netherlands

Violence Risk Assessment in Mental Health Evaluations of Youth
Steven van der Hoorn, Netherlands Institute for Forensic Psychiatry and Psychology, Amsterdam, The Netherlands

Moral Development and Moral Reasoning among Juvenile Delinquents
Iris Berends, Erasmus University Rotterdam

Clinical Effectiveness of Neurofeedback with Juvenile Delinquents Suffering from ADHD-problems & Comorbid Disorders: Preliminary Results
Chijs van Nieuwenhuizen, Youth Forensic Psychiatric Hospital 'De Catamaran', Eindhoven, The Netherlands

Room E **RECONCEPTUALIZING THE LEGAL AND MENTAL HEALTH RESPONSE TO DOMESTIC VIOLENCE**

Redefining Harm, Reimagining Remedies and Reclaiming Domestic Violence Law
Margaret E. Johnson, University of Baltimore

New strategies for Empowering Battered Women: A Survivor-Centered Approach to the Advocacy, Mental Health and Justice Systems
Lisa Goodman, Boston College and Deborah Epstein, Georgetown University

De-Essentializing Domestic Violence Law: Principles for Reforming the Legal System's Responses to Domestic Violence
Leigh Goodmark, University of Baltimore

Through the Lens of Therapeutic Jurisprudence: The Relationship between Empowerment in the Court System and Wellbeing for Intimate Partner Violence Victims
Lauren Bennett Cattaneo, George Mason University

Implicit Thinking in Intimate Partner Offenders
Elizabeth Gilchrist, Glasgow Caledonian University

Room F COERCION IN THE COMMUNITY? PERSPECTIVES ON MANDATED COMMUNITY TREATMENT AND MENTAL HEALTH AND JUSTICE SERVICES IN TORONTO

The Impact on Family Members when a Relative is on a Community Treatment Order
Alison Hunt, The Canadian Mental Health Association

Community Treatment Orders (CTOs) among Ethno-racial Communities in Toronto: Theoretical, Ethical and Empirical Perspectives
Magnus Mfoafo-M'Carthy, University of Toronto

Community Treatment Orders (CTOs) and the Recovery Model: Can The Two Approaches Collaborate Effectively for Supportive Psychiatric Treatment?
Susan Sabnani, Centre for Addiction and Mental Health, Toronto, Canada

Staff Perceptions of Community Treatment Orders (CTOs): The Toronto Experience
Kaajal Balkaran, The Centre For Addiction and Mental Health, Toronto, Canada

Building a Program of Prevention: Ontario's Mental Health & Justice Initiative to Prevent Involvement in the Forensic Mental Health System
Jennifer Zosky, Reconnect Mental Health Services, Toronto, Canada

Correlates of Violence Severity among Persons with Major Mental Illness involved in the Criminal Justice System
Frank Sirotych, University of Toronto

Room G IMPACTS ON CHILDREN'S MENTAL HEALTH

Evaluating Cultural Competence in Child Custody Proceedings
Cynthia R. Mabry, Howard University School of Law

Parents' Perceptions of Parenting with a Mental Illness
Elaine Mordoch, University of Manitoba

A Comprehensive Response for Children Exposed to Domestic Violence
Cheryl E. Amana-Burris, North Carolina Central University

Psychological Impact on children of the Death of Parent by the Police
John L. Burris, University School of Law

Neighborhoods, Exposure to Violence, Mental Health and Crime
David Freedman, Federal Public Defender, Arkansas, USA

Room H THE LAW'S RESPONSE TO DEMENTIA, DELIRIUM AND DEPRESSION

Legal Capacity and Delirium and Depression
Lawrence A. Frolik, University of Pittsburgh

Liability Issues in Determining Decisional Capacity in Older Persons with
 Dementia, Depression, or Delirium
Marshall Kapp, Southern Illinois University

Professional Responsibility for Lawyers Dealing with Clients with Diminished
 Capacity
Mary F. Radford, Georgia State University

Legal Capacity and The Right to Vote
Nina Kohn, Syracuse University

Room I IMAGERY IN THE COURTROOM: NEW WAYS OF SEEING EVIDENCE

Functional Magnetic Resonance Imaging in Court: Technologies of Control and
 Predictions of Dangerousness
John Douard, Rutgers University

Criminal Predators and What to Do About Them: Popular Imperatives from
 Screen-Based Reality
Richard K. Sherwin, New York Law School

“A World of Made is Not a World of Born”: Neuroscience, Visual Rhetoric, and
 the Monstrousness of Child Sexual Offenders
Pamela D. Schultz, Alfred University

Outward and Visible Signs and the Desire for Predictability

Christina Spiesel, Yale Law School

The Many Meanings of Brain Images
Neal Feigenson, Quinnipiac University School of Law

Room L L'APPROPRIATION DES ORIENTATIONS MINISTERIELLES SUR
 L'UTILISATION DES MESURES DE CONTROLE: CONTENTION ET
 ISOLEMENT, UN PROCESSUS STRUCTURE DE CHANGEMENT

Démarche d'implantation et de suivi des orientations ministérielles sur l'utilisation
 des mesures de contrôle: Contention et isolement à l'Hôpital Louis-H. Lafontaine
Geneviève Ménard, Hôpital Louis-H. Lafontaine, Montreal, Canada

L'information et la formation du personnel clinique et des médecins
Denise Grégoire, Hôpital Louis-H. Lafontaine, Montreal, Canada

Formulaire électronique d'application de l'isolement et contentions
Nicole Daigle, Hôpital Louis-H. Lafontaine, Montreal, Canada

Projet pilote visant à décrire des interventions infirmières lors de l'utilisation de
 mesures de contention et d'isolement en contexte psychiatrique
Caroline Larue, Université de Montréal

L'évaluation de la perception de la clientèle
Louis Rocheleau, Hôpital Louis-H. Lafontaine, Montreal, Canada

Room M DESAROLLO Y RESILIENCIA

Probeza y resiliencia
Shirley Llerena, Sociedad Peruana de Resiliencia, Lima, Peru

Síntoma y delito en la familia
Julia Rosa Piaggio, Universidad Nacional Mayor de San Marcos

Jóvenes infractores de ley, resiliencia y educación
Eugenio Saavedra, Universidad Católica del Maule

Brigadas Psicológicas
Doris Argumedo Bustinza, Pontificia Universidad Católica del Perú

Violencia en Latinoamérica
Julio Arboleda-Flórez, Queen's University

11:00 A.M.

- Room A **THERAPEUTIC JURISPRUDENCE, MENTAL HEALTH AND INTERNATIONAL HUMAN RIGHTS LAW**
- Mental Health Courts, Therapeutic Jurisprudence and International Human Rights Law
Michael Perlin, New York Law School
- International Human Rights Law, Therapeutic Jurisprudence and Mental Health Courts
Ginger Lerner-Wren, Misdemeanor Mental Health Court, Broward County, USA
- Mental Health Courts and Intellectual Disability: What's Missing?
Astrid Birgden, Deakin University
- The Accidental Infusion of Therapeutic Jurisprudence and Charter Rights into Mental Health Courts
Richard Schneider, Ontario Court of Justice, Toronto, Canada
- Preventing Recidivism through Therapeutic Jurisprudence and the Humane Treatment of Offenders
Heather Ellis Cucolo, New York Law School
- Order in the Court: A Plea for Therapeutic and Prudent Mental Health Courts
Bruce David, Nassau University Medical Center
- Room B **RECENT FINDINGS ON PSYCHOPATHY AND ON ASSESSMENT, SELF-REGULATION MODEL, AND POLICY FOR SEX OFFENDERS**
- Psychometric Properties of the J-SOAP-II
Amanda M. Fanniff, University of Arizona
- Self-Regulation and Sex Offending Behaviors in a Psychiatric Population
Jill D. Stinson, Fulton State Hospital, USA
- Sex Offender Management Policy in the United States: To What Extent is it Evidence-Based?
Kurt M. Bumby, Center for Effective Public Policy, Silver Spring, USA
- Sexual Offender Treatment and Empathy Training
Laura G. Kirsch, University of Arizona
- The Hare Psychopathy Check-list Revised: Reliability and Norms for a Sample of Chilean Inmate Population

Elizabeth Leon Mayer, Universidad del Mar-Sede Antofagasta

Room C NEW CONCEPTS & ISSUES IN PUBLIC HEALTH LAW & REGULATION

Rethinking Global Health Challenges: Towards a “Global Compact” for Reducing the Burden of Chronic Disease

Roger Magnusson, University of Sydney

Legal Responses in Real-time During Public Health Emergencies

James G. Hodge Jr., Johns Hopkins, USA

Pandemic Disease and the Language of War: The Appropriation of Threats to Health to Serve a Security Agenda

Robyn Martin, University of Hertfordshire

Speak Consolingly To the Distressed Souls

Olivette Burton, Albany Medical College

Room D COGNITION, MEANING MAKING, AND LEGAL ARGUMENTATION

Linguistic Representation of the “Mental Competence” Concept in Advance Directives

Anaberl Borja Albi, University Jaume I

Subconscious Physical Metaphors in Modern Legal Concepts

Carl S. Bjerre, University of Oregon

The Impact of Cognitive Processes and Heuristics on Legal and Policy Decisions: The Law & Psychology Approach

Catherine Regis, University of Sherbrooke

Interpreting Legal Metaphors: New Cognitive Models for Meaning Making and Tools of Analysis

Lucia Morra, University of Torino

Aspects of Individual and Social Knowledge in Developing Legal Concepts

Jan Engberg, University of Aarhus

Narratives of European Legal Translation

Anne Lise Kjær, University of Copenhagen

Room E PROFESSIONAL ETHICS AND MULTIDISCIPLINARY INTERVENTIONS INVOLVING FORENSIC AND MENTAL HEALTH PRACTITIONERS

Creating Common Ethical Highground in Multidisciplinary Family Violence Interventions

Ann Marie Dewhurst, Athabasca University

Multidisciplinary Teams: Walking the Tight-Rope of Collaboration

Glenda Malina, Wellspring Counselling, Edmonton, Canada

When the Respect for the Dignity of Persons Conflicts with Law Enforcement

Rita L. Balanko, Capital Health Authority, Edmonton, Canada

Interdisciplinary Social Work and Police Teams: Ethical Dilemmas in Service Provision with Survivors of Intimate Partner Violence

Janet Neilson, Social Worker, Edmonton, Canada

Flying with a Safety Net

Karen Nielsen, Athabasca University

Psychiatric Malpractice

Veena Garyali, Private Practice, USA

Room F FORENSIC MENTAL HEALTH CARE RESTRUCTURED: PROGRAMMING AND NEW PROMISING MODULES

The Realization of Forensic Mental Health Care Programs: A Systematic Approach

Charles van der Weide, Forensic Mental Hospital, Assen, The Netherlands

Forensic Assertive Community Treatment (for-ACT) as a Key Element in Resocializing Mentally Disordered Offenders

J. van Marle, Forensic Mental Hospital, Assen, The Netherlands

EMDR in Forensic Psychiatry: The Offender Detraumatized

Karin Chateau, Forensic Mental Hospital, Assen, The Netherlands

Sleep Medicine: A Useful Module in Forensic Mental Health Care Programs?

Marika Lancel, Forensic Mental Hospital, Assen, The Netherlands

Room G EMPIRICALLY SUPPORTED PRACTICES IN A FORENSIC MENTAL HEALTH SETTING

An Investigation of Manualized Treatment for Sexual Offenders in an Inpatient Forensic Hospital

Jill D. Stinson, Fulton State Hospital, USA

Treating People with Intellectual and Developmental Disabilities in an Intermediate and Maximum Security Forensic Mental Hospital
Sharon B. Robbins, Fulton State Hospital, USA

A Social Learning Approach to Psychiatric Rehabilitation in Forensic Facilities
James C. Coleman, Fulton State Hospital, USA

Predicting Trajectories of Seclusion/Restraint Use at a State Psychiatric Facility
Niels C. Beck, University of Missouri

Dialectical Behavior Therapy: Applications in Forensic Issues
Ronda O. Reitz, Missouri Department of Mental Health, Jefferson City, USA

Room L HÉBERGEMENT RÉADAPTATIF ET INTÉGRATION SOCIALE DE LA CLIENTÈLE PSYCHIATRIE-JUSTICE I

Services de réadaptation et d'hébergement dans la communauté: intégration sociale et gestion des risques pour une clientèle psychiatrie-justice
Jean Jacques Leclerc, Hôpital Louis-H. Lafontaine, Montreal, Canada

L'apprentissage de la liberté dans la communauté : besoins, valeurs et approches novatrices en réadaptation psychosociale pour la clientèle psychiatrie justice
Alexandre Herman, Hôpital Louis-H. Lafontaine, Montreal, Canada

L'accès au réseau d'hébergement psychiatrie justice du grand Montréal : les facteurs facilitateurs et les obstacles
Sylvie Champagne, Hôpital Louis-H. Lafontaine, Montreal, Canada

Le quotidien dans une ressource d'hébergement pour une clientèle de psychiatrie justice : la perspective d'un intervenant de la Maison l'Intervalle et d'utilisateurs des services
Yves Boileau, Maison l'Intervalle, Montreal, Canada

Room M DERECHOS HUMANOS Y PSIQUIATRÍA FORENSE: DE LA ÉTICA A LA LEY

Ética y psiquiatría forense
Helena Bins, Porto Alegre, Brazil

Coerción clínica no psiquiátrica: Análisis previo para una regulación legal en los hospitales públicos españoles
Francisco Torres-González, University of Granada

La percepción de justicia en la reparación del daño en víctimas de violaciones a los derechos humanos, ¿Una herramienta terapéutica?

Carmen Cerda Aguilar, Universidad de Chile

Atención de personas con medidas de seguridad, hospital nacional psiquiátrico
Costa Rica, un análisis con perspectiva de derechos humanos
Lilliette Gutierrez Rojas, Hospital Nacional Psiquiátrico, Costa Rica

Derechos humanos, delitos militares, y psiquiatría forense en Chile
Enrique Sepúlveda, Universidad de Chile

2:00 PM

Room A JUDGING IN A THERAPEUTIC KEY

Should Problem-Solving Courts be Solution-Oriented Courts?
Michael King, Perth Drug Court, Australia

Applying Principles of Therapeutic Jurisprudence in the High Profile/High
Conflict Custody Battle: A Case Study
Jeri Beth Cohen, Dade County Circuit Court, Family Division, Miami, USA

Canada's New Problem-Solving Approach to Criminal Justice
Thomas Gove, Judge, Vancouver, Canada

Judicial Leadership and Mental Health Courts: The Key to Real Change
Greg Baker, College of William and Mary

Disclosing Stepfather Rape: Message from a Judge – S v M 2007 (2) SACR 60
WLD
Annette van de Merwe, University of Pretoria

Room B THE RISE OF THE PREVENTIVE STATE I

The Rise of the Preventive State: Historical Foundations
Paul A. Lombardo, Georgia State University

Neurotransmitters and Aggression
Allan Siegel, University of Medicine & Dentistry of New Jersey

The Tangled Wing: Biological Constraints on Enlightenment Justice
Jeff Victoroff, University of Southern California

A Defense of the Preventive State
Christopher Slobogin, Vanderbilt University

When Is Prevention of Harm Harmful?
Eric S. Janus, William Mitchell College of Law

Screening for Mental Disorder and the Preventive State
Jerome Wakefield, New York University

Room C INTIMATE PARTNER VIOLENCE AND SEXUAL OFFENDING:
 IMPLICATIONS FOR PRACTICE AND POLICY

Understanding Intimate Partner Violence in the Context of the Family
Louise Dixon, University of Birmingham

The Influence of Actuarial Risk and Denial on Sexual Recidivism
Leigh Harkins, University of Birmingham

Juvenile Sexual Offenders
Moisés Próspero, University of Utah

Practice and Policy Implication of Public Attitudes to Sex Offenders
Sarah Brown, Coventry University

Male Domestic Violence Perpetrator Programs: Provision and Evaluation in the
 United Kingdom
Erica Bowen, Coventry University

Room D LAW AND THE EMOTIONS

Vengeance and Reconciliation: Two Historical Models of Law and the Emotions
John Stannard, Queen's University of Belfast

Not Everything that Glitters is Gold: Refining Restorative Justice as a Vehicle for
 Therapeutic Jurisprudence
Jonathan Doak, Nottingham Law School

Emotional Reactions to Evidence: a Victim's Perspective
Matthew Hall, University of Sheffield

Emotion or Science? A History of Infanticide Legislation
Karen Brennan, Queen's University Belfast

The Agony of the Moment and the Heat of the Game: Legal Liability for Foul
 Play in Sport
Jack Anderson, Queen's University Belfast

Room E IS THE US BLACK FAMILY UNDER SIEGE? A MULTI-FACETED REPORT FROM THE TRENCHES

Intra-Country Trans-Racial Adoption in the United States: What Affect Upon the Black Family?

Cynthia G. Hawkins-Leon, Stetson University

Child Discipline in African American Families: Implications for Mental Health Practice and Law

Carla Adkison-Bradley, Western Michigan University

African American Fathers: A Contextualized Humanistic Perspective

Phillip D. Johnson, Western Michigan University

Impact of Class and Racial Bias on Incarceration V. Treatment of Mentally Ill Clients

Miriam Johnson-Hoyte, Psychiatrist in Private Practice, Boston, USA

The Role of Family Spirituality in Healing: A View of Pastoral Care in US Hospitals

Kathleen Hawkins Berkowe, General Theological Seminary, New York, USA

Room F NEUROIMAGING

An Epistemological Approach to the Concept of Proof in Functional Brain Imaging

Eric Stremmer, Institut d'Histoire et de Philosophie des Sciences et des Techniques, Paris, France

Psychiatric Neuroimaging under International Law

Sean Kevin Thompson, Cravath, Swaine & Moore, LLP, New York City, USA

Are Neuroimaging Techniques Ready for Prime Time in Court Proceedings?

Angela M. Hegarty, Columbia University

Brain Imaging

Herman Moreno, State University of New York

Room K STRATEGIC APPROACHES TO VIOLENCE WITHIN MENTAL HEALTH

Preparing for Rare Events: Strategic Approaches to Crisis Situations

Michael W. Jennings, Partnerships in Care, Warrington, UK

The Psychopharmacology of Violence: Avoiding the Avoidable
Mike Launer, Partnerships in care, North West region, Warrington, UK

‘In the Mood’: Emotional Intelligence as a Framework for Violence Therapy with
 Mentally Disordered Offenders
Emma Shillabeer, Partnerships in Care North West region, Warrington, UK

“Knock him down first and pity him afterwards” – Violence Formulation to
 Function
Katie E. Bailey, Partnerships in Care North West region, Warrington, UK

Personality Disorder and High Risk Behavior: Findings and Issues from a DSPD
 Unit
Kevin Howells, Nottingham University

Room L **HEBERGEMENT READAPTATIF ET INTEGRATION SOCIALE DE LA
 CLIENTELE PSYCHIATRIE-JUSTICE II**

Profils cliniques et psychosociaux, selon les besoins résidentiels, des patients avec
 des troubles mentaux sévères et persistants : comparaison des patients en
 processus de réadaptation dans un hôpital de psychiatrie légale et un service de
 psychiatrie tertiaire
Alexandre Dumais, Hôpital Louis-H. Lafontaine, Montreal, Canada

Support clinique et traitement en lien avec la réadaptation et l’intégration sociale
 de la clientèle psychiatrie justice : un partenariat de l’Institut Philippe-Pinel de
 Montréal et de l’Hôpital psychiatrique Louis H. Lafontaine
Pierre Gendron, Institut Philippe-Pinel, Montreal, Canada

Accès aux services pour la clientèle psychiatrie justice: Sécurité publique et santé
 mentale
Sylvie Quenneville, Réseau correctionnel de Montréal, Canada

Évaluation clinique, décisions légales et mise en liberté provisoire
Thierry Webanck, Institut Philippe-Pinel de Montréal, Canada

Room M **CONDUCTAS VIOLENTAS Y EVALUACIONES DE RIESGO**

Investigación en evaluaciones de riesgo y psicopatía en Latinoamérica
Jorge O. Folino, Universidad Nacional de La Plata

Riesgo para cometer homicidio en jóvenes bogotanos: Estudio multimétodo
Franklin Escobar-Córdoba, Universidad Nacional de Colombia

Conducta autodestructiva e instituciones forenses
Vivian Day, Forensic psychiatrist in private practice, Porto Alegre, Brazil

Evaluación de riesgo de violencia en hospital psiquiátrico forense brasileño
Lisieux E. de Borba Telles, Hospital Porto Alegre, Brazil

Psiquiatría forense en Paraguay: Historia, desarrollo y actualidad
José Vera Gómez, Ministerio Público de la República del Paraguay

4:00 PM

Room A THERAPEUTIC JURISPRUDENCE TECHNIQUES FOR JUDGING

Motivational Structures and Anticipated Emotion in Specialized Courts
Richard L. Wiener, University of Nebraska/Lincoln

How Communication Styles of Court Judges are Interpreted by Others: A
 Therapeutic Jurisprudence Analysis of Perceived Fairness, Authoritarianism,
 Complex Thinking and Ethnicity
Carrie Petrucci, EMT Associates, Encino, USA

The Use of Systematic Models to Promote Self Efficacy and Rehabilitation in the
 Drug Courts
Ana Lopez, Interamerican University

Therapeutic Sensitivity and Conflict Management in the Israeli Court System
Michael Alberstein, Fordham University

Room B THREAT ASSESSMENT AND THREAT MANAGEMENT

Threat assessment
Werner Tschan, Zurich University

Stalking of health Care Professionals
Gail Erlick Robinson, University of Toronto

Multi Agency Threat Management: A Comparison of Three Countries
*Totti Karpela, Peace of Mind Training Inc. - Threat Management Company Ltd,
 Helsinki, Finland*

Threat Assessment Of Targeted Violence: An Overview And Practical
 Considerations
Mario J. Scalora, University of Nebraska-Lincoln

Room C THE RISK NEED RESPONSIVITY MODEL AND THE GOOD LIVES MODEL:
HOW SIMILAR ARE THEY?

The Risk-Need Model
Ida Dickie, Spalding University

The Risk-Need Model and Good Lives Model
Astrid Birgden, Deakin University

The Good Lives Model: Myths and Misconceptions
Theresa A. Gannon, University of Kent

Narrative Identity and the Change Process: Good Lives and Risk Need Models of
Offender Rehabilitation
Rachael Collie, Victoria University of Wellington

Room D REDUCING THE USE OF RESTRICTIVE MEASURES IN THE NETHERLANDS
I

Nurse Led Structured Crisis Monitoring Versus Clinical Judgment, Effects on
Aggressive Incidents and Coercive Interventions in Acute Psychiatric Practice
Roland van de Sande, BAVO Europoort, Rotterdam, The Netherlands

The Influence of Staff Characteristics on Choices Nursing Teams Make When
Applying Restrictive Measures in Psychiatric Settings
Wim Janssen, GGNet, Warnsveld, The Netherlands

Randomized Controlled Trial of Effect of Chemical Restraint Versus Seclusion on
Mental Functioning and Restriction to Human Rights
Irina Georgieva, Erasmus University

A Study into Determinants of Aggression Whether or Not Followed by Seclusion
Fleur Vruwink, Mediant GGZ Twenthe, Enschede, The Netherlands

Trends and Determinants in Using Restrictive Measures
Eric Noorthoorn, GGNet, Weansveld, The Netherlands

Room E WHAT WORKS IN OFFENDER PROFILING? THE INVESTIGATION AND
BEHAVIORAL/PSYCHOLOGICAL ASSESSMENT OF SEXUAL AGGRESSION

Interpreting Claims in Offender Profiles: The Role of Probability Phrases, Base-
Rates and Perceived Dangerousness

Louise Almond, University of Liverpool

When Is Profiling Possible? Offense Planning And Aggression As Moderators In Predicting Offender Age From Victim Age In Stranger Rape

Alasdair M. Goodwill, University of Birmingham

Error, Inertia or Absence? An Analysis of Decisions in Rape Investigations

Laurence Alison, University of Liverpool

The Behavioral Dimensions Of Sexual Aggression: A Multi-Method Approach

Darren Bishopp, Broadmoor Hospital, Crowthorne, UK

Room F NEW DEVELOPMENTS IN DUTCH MENTAL HEALTH LEGISLATION

The Making Of...A Dutch Mental Health Act: How to Build a System with Continuity of (Involuntary) Care and Treatment?

Remmers van Veldhuizen, Mental Health Services, North Holland, The Netherlands

Report Regarding (Preparation of) Mental Health Care Legislation: 25 of Two and a Half Years?

Charlotte Grezel, The Netherlands

New Mental Health Legislation in the Netherlands: Scope and Limitations

Johan Legemaate, Free University of Amsterdam

The Divergent Relationship between Competency and Responsibility in the Dutch Forensic Mental Health System Explained and Compared

Michael J.F. van der Wolf, Erasmus University

Room G RESILIENCE AND DEVELOPMENT: ADAPTIVE BEHAVIOR AND RESILIENCE

Developing Resilience in Children with Learning and Behavioral Problems

Emperatriz Torres, B.F. Skinner Educative Association, Lima, Peru

Leadership of Women in Peruvian, Urban and Poverty Areas

Matilde Ráez, Catholic University of Peru

Stress and Extreme Poverty in Peruvian Women

Maria Victoria Arévalo Prieto, Catholic University of Peru

Stress in University Population

Cecilia Chau Perez-Aranibar, Catholic University of Peru

Strengthening and Differentiation of the One-Self in Focal Psychoanalytical
Psychotherapy
Gloria Luna, Catholic University of Peru

Room K TOWARDS A PHILOSOPHICAL AND CLINICAL INTEGRATION OF BIOLOGY,
LAW, AND RELIGION I

The Impact of Neuroscience on the Criminal Justice System
Patricia White, Forensic Psychiatrist in Private Practice, Stockton, USA

Parricides and Criminal Responsibility
Marc Hillbrand, Connecticut Valley Hospital, Middletown, USA

Can Freud Help Us Find Solomon for Our Patients?
John L. Young, Yale University

Maimonides' Conception of Philosophy/Prophecy and the Therapeutic Good
James A. Diamond, University of Waterloo

Room L DEPENDANCES, SANTE MENTALE ET DELINQUANCE A L' ADOLESCENCE :
REGARD DESCRIPTIF SUR LES PROBLEMATIQUES

Jeunes, consommation de substances psychoactives et pratique de jeux de hasard
et d'argent par Internet : des relations entrecroisées
Natacha Brunelle, Université du Québec à Trois-Rivières

La pratique des jeux de hasard et d'argent chez les adolescents : le rôle de la
détresse psychologique sur une conduite addictive
Annie Gendron, Université du Québec à Trois-Rivières

Les adversités rencontrées par la jeunesse Atikamekw : Regards qualitatifs
d'adolescents
Chantal Plourde, Université du Québec à Trois-Rivières

Prostitution juvénile : des trajectoires toutes en nuances
Marie-Marthe Cousineau, Université de Montréal

Rejoindre les mineurs en fugue dans la rue : une responsabilité commune en
protection de l'enfance
Sylvie Hamel, Université du Québec à Trois-Rivières

Room M GENOMA, CONDUCTA Y REGULACIONES ÉTICO LEGALES

Trastorno del humor y comportamiento antisocial en mujeres: evaluación de trauma en la niñez, polimorfismo genético y niveles de BDNF

Cintia Döhler, Psychiatrist in private practice, Sao Paolo, Brazil

Aspectos regulatorios de la medicina genómica: Un análisis de la legislación de América Latina

Mónica Bolis, Organización Panamericana de la Salud / Organización Mundial de la Salud, Washington, USA

La cuestión del genoma humano y los derechos humanos en el Uruguay : Aspectos ético y médico-legales.

Juan E. Blengio, Universidad de la República

Genómica: Medicina predictiva y regulación ética

Fernando Lolas, Universidad de Chile

TUESDAY, JUNE 30TH, 2009

9:00 AM

Room A THERAPEUTIC JURISPRUDENCE AND JUVENILE LAW

Legal, Clinical and Therapeutic Jurisprudence Aspects of Regulation of Juvenile Residential Treatment Facilities, Therapeutic Boarding Schools, Emotional Growth Programs

Jan Costello, Loyola University

The Use of a Therapeutic Jurisprudence Approach in a Child Law Practice

Micki Moran, The Child and Family Law Center, Highland Park, USA

The Persistence of Low Expectations in Special Education: Viewed through a Therapeutic Jurisprudence Lens

Richard Peterson, Pepperdine University

Unchain the Children: Toward a Human Rights and Therapeutic Jurisprudence Model of Advocacy to Unshackle Children in the Courtroom

Bernard Perlmutter, University of Miami

Room B ETHICAL AND LEGAL IMPLICATIONS OF INTEGRATED CARE

Integrated Primary Care in NSW: the Real Challenge is Corporate Governance

Delys Brady, Hunter New England Area Health Service, New Lambton, Australia

Challenges of Obtaining Informed Consent for Mental Health Research
Nicole Gerrand, Hunter New England Health Service, New Lambton, Australia

Share-Care in Community Mental Health Services and its Legal Implications
Thanh-Nu Reeves, Hunter New England Area Health Service, New Lambton Australia

Development and Challenges in Engaging Non Government Organizations (NGOs) in Share-Care for Mental Health Clients
Barbara Stacy, Hunter New England Mental Health Service, New Lambton, Australia

Memory Problems in Post-traumatic Stress Disorder and Credibility
Lilla Hárđi, Cordelia Foundation for the Rehabilitation of Torture Victims, Budapest, Hungary

Room C UNLOCKING THE CRIMINAL MIND

Can I Call Kimura Crazy?
Rashmi Goel, University of Denver

I Think You're Crazy – Possibly: Formulating a Modality for the Social Construction of Mental Illness
Camille A. Nelson, Saint Louis University

The Psyche of the Racial Profiler
Frank Rudy Cooper, Suffolk University Law School

Cognitive Camera Technologies and the Convergence of Criminal and Medical Profiling
Christian Halliburton, Seattle University School of Law

Dehumanization, Segregation, and the Social Psychology of Criminality
Reginald Oh, Cleveland Marshall College of Law

Room D REDUCING THE USE OF RESTRICTIVE MEASURES IN THE NETHERLANDS II

Toward Coercion-Reduction in Psychiatry: Learning From Bad Practices
Yolande Voskes, Maastricht University

Toward Coercion-Reduction in Psychiatry: Learning From Good Practices

Elleke Landeweer, Maastricht University

No More Seclusion in Dutch Psychiatry: A Study of Teams Changes in Attitudes and Perceptions Towards Seclusion

Patricia Mann-Poll, De Gelderse Roos, Wolfheze, The Netherlands

Engagement Model and the Use of Comfort Rooms as a Means to Reduce Seclusion

Rene de Veen, Mediant GGZ Twente, Enschede, The Netherlands

A Comparison of Two Admission Wards With and Without a Seclusion Prevention Protocol

Hans Hesta, De Gelderse Roos, Arnhem, The Netherlands

Room E RECENT CONTROVERSIES CONCERNING OUTPATIENT COMMITMENT

Outpatient Civil Commitment for Correctional Patients

Steven K. Hoge, New York University

Is the Implementation of Kendra's Law Racially Biased?

Jeffrey Swanson, Duke University

Recent US Research on Assisted Outpatient Treatment

Marvin Swartz, Duke University

Community Treatment Orders: a UK perspective

George Szukler, King's College London

Overview of Outpatient Commitment and Related Legal, Policy, and Ethical Concerns

Paul S. Appelbaum, Columbia University

Room F NEW DEVELOPMENTS IN MENTAL HEALTH LEGISLATION FROM A VARIETY OF COUNTRIES

Recent Significant Changes in Canadian Mental Health Acts

John E. Gray, University of Western Ontario

The effect of the Mental health (CAT) Act on the practice of Community Mental Health Nurses in New Zealand

Ian McLauchlan, Capital & Coast District Health Board, Wellington, New Zealand

Least Restrictive Environment - A Comparison of Legislation within Parliamentary Jurisdictions

Joe Morrissey, James Cook University

Trends in Health Planning and Policy: The Everlasting Need for Change in the Canadian Oil Patch

Denis Morrison, University of Calgary

Human Rights without Resources: Thinking about Africa

Peter Bartlett, University of Nottingham

Room G **PHILOSOPHY OF PSYCHIATRY**

Can We Define Mental Disorder by Using the Criterion of Mental Dysfunction?

Thomas Schramme, Swansea University

Harm-Minimization: Physician Assisted Self-Harm?

Kerry Gutridge, University of Bristol

Subjectivity and Self-Effectivity: Investigating Self-Determination in Mentally ill Persons from the First-Person-Perspective

Jann E. Schlimme, Hannover Medical School

Madness, Badness, and the Epistemology of Moral Accountability

Claire Pouncey, Temple University

Rational Suicide: Philosophical Perspectives on Schizophrenia

Jeanette Hewitt, Swansea University

"False positives" in Psychiatric Diagnosis from the Harmful Dysfunction Perspective: Implications for Human Freedom

Jerome Wakefield, New York University

Room I **CORRECTIONAL IMPACT LITIGATION, MENTAL DISABILITY LAW AND INTERNATIONAL HUMAN RIGHTS**

Correctional Mental Health Care: The Interplay between US and International Standards

Henry A. Dlugacz, New York Medical College

Applying Offender Rehabilitation in Corrections: Why Consider Human Rights?

Astrid Birgden, Deakin University

The Mentally Ill Inmate in Supermax Confinement: A New York State Study

Jennifer R. Wynn, John Jay College of Criminal Justice

The relationship between correctional law/conditions (jail and/or prisons) mental disability law and international human rights
Ginger Lerner-Wren, Misdemeanor Mental Health Court, Broward County, USA

Room K TOWARDS A PHILOSOPHICAL AND CLINICAL INTEGRATION OF BIOLOGY, LAW, AND RELIGION II

“Japanese Orientalists” and Psychiatry Policy in Modern Times
Akira Hashimoto, Aichi Prefectural University

Mental Health and Morality: Two Conceptually Distinct Categories?
Per-Anders Tengland, Malmö University

Philosophy as Therapy
Kenneth Seeskin, Northwestern University

Room L ANALYSE COMPARÉE DE L'ENCADREMENT JURIDIQUE CONCERNANT LA RECHERCHE IMPLIQUANT DES SUJETS INAPTES (FRANCE, GRANDE-BRETAGNE, QUÉBEC)

Recherche biomédicale sur des sujets inaptes en Grande-Bretagne
Amelie Dionne-Charest, Heenan Blaikie, Montreal, Canada

L'encadrement législatif de l'expérimentation sur des personnes inaptes au Québec
Pierre Deschamps, McGill University

Recherches impliquant des sujets atteints de Maladie d'Alzheimer : le cadre juridique en Europe et les solutions originales en France et en Grande-Bretagne (Etude MADERE)
Anne Marie Duguet, INSERM, Unité 558, Toulouse, France

Le consentement des personnes inaptes à la recherche : la situation américaine et le Code civil du Québec
Andrei Pascu, Université de Montréal

L'expérimentation sur les sujets vulnérables en droit belge
Jean Herveg, Centre de Recherches Informatique et Droit, Namur, France

Room M PSIQUIATRÍA FORENSE: PRÁCTICA MÉDICA Y ANÁLISIS DE TRASGRESORES

Practica de psiquiatría forense por medicos generales en Chile
Dr. Carlos Tellez, Universidad de Chile

Historia sexual de los imputados de abuso sexual evaluados en el Servicio Médico
 Legal de Osorno, Chile : Abril 2004 a abril 2008
Dr. Mauricio H. Jeldres Vargas, Universidad Austral de Chile

Homicídios praticados por mujeres: Una muestra de una institución psiquiátrica
 forense de Brasil
Alexandre Valença, Fluminense Federal University

Trastornos mentales en una población penitenciaría brasileña
José G. V. Taborda, University of Rio Grande del Sol

Psiquiatría Forense en Latinoamérica
Julio Arboleda-Flórez, Queen's University

Desarrollo y datos de los Servicios Forenses en Chile
Emily St. Denies, Queen's University

11:00 AM

Room A THERAPEUTIC JURISPRUDENCE AND FAMILY LAW

Life as Lived: Experiences with Retroactive Child Support
Shelly Kierstead, York University

Teaching Mediators to Use Therapeutic Jurisprudence to Respond to Emerging
 Issues in Family Law
Jennifer H. Zawid, University of Miami

Dealing with Domestic Violence in Argentina: Therapeutic Jurisprudence
 Perspectives
Zulema Wilde, Judge of the National Court Of Appeal, Buenos Aires, Argentina

Unified Family Court Services for Families and Children: Therapeutic
 Jurisprudence Applied?
Barbara Babb, University of Baltimore

S vs. M: Therapeutic Jurisprudence vs. the Traditional Court Procedure
Enid Coetzee, University of Johannesburg

Room B CONCEPTUAL APPROACHES TO UNDERSTANDING THERAPEUTIC
 MISCONCEPTION IN CONSENT TO RESEARCH

A Critique of Recent Approaches to Therapeutic Misconception
Paul S. Appelbaum, Columbia University

Therapeutic misconception among clinical researchers
Charles W. Lidz, University of Massachusetts Medical School

Evaluating the Therapeutic Misconception
Frank Miller, National Institutes of Health, Bethesda, USA

Defining the Therapeutic Misconception: Report from a Consensus Workshop
Gail Henderson, University of North Carolina School of Medicine

Misunderstanding in Clinical Research
Christine Grady, National Institutes of Health Clinical, Bethesda, Center

Room C **TRAUMATIC BRAIN INJURY**

Neuropsychological Approaches to Assess Traumatic Brain Injury
William G. van Gorp, Columbia University

Executive Functions Testing and Frontal Lobe Functions in TBI
Jeanette Wasserstein, Mount Sinai College of Medicine

Special Challenges in the Legal Representation of Victims of Mild Traumatic
 Brain Injury
Michael V. Kaplen, DeCaro & Kaplen, LLP, New York City, USA

Traumatic Brain Injury and Somatoform Disorders
William Curt LaFrance, Brown Medical School

Room D **FORENSIC ASPECTS OF TORTURE: IMMEDIATE AND LONG TERM
 ASPECTS**

Late Sequels of Torture in Photographs
Janus Oomen, University of Amsterdam

The Istanbul Protocol in Asylum Procedures
Holger Furthmayr, University of Erlangen

Eugenics and Racial Hygiene in Medical Publishing: Sequelae of the War in
 Austria
Lilith Dumalayan, World Council for Psychotherapy, Erewan, Armenia

Consequences of Russian Brutal Military Attacks in Georgia
Miriam Jishkariani, Rehabilitation Centre for Victims of Torture EMPATHY, Tbilisi, Georgia

Room E MENTAL HEALTH AND INCAPACITY LAW IN SCOTLAND: HAVE WE GOT IT RIGHT YET?

Review of Adults with Incapacity (Scotland) Act 2000
George Kappler, Mental Welfare Commission for Scotland, Edinburgh, Scotland

Review of Mental Health Legislation in Scotland
Jim McManus, Glasgow Caledonian University

Compulsory Treatment in the Community
Donald Lyons, Mental Welfare Commission for Scotland, Edinburgh, Scotland

New Jurisprudence in Mental Health Law: A Scottish Solution
Joe Morrow, Mental Health Tribunal for Scotland, Hamilton, Scotland

Significantly Impaired Decision Making in Mental Disorder: Clinical and Legal Issues and Implications
Mark Taylor, University of Glasgow

Room F CONFLICT OF INTEREST

Responding to the Ethical and Intellectual Crisis in Mental Health Research and Clinical Practice
Lisa Cosgrove, University of Massachusetts-Boston

Conflict of Interest and the Sexual Autonomy of the Severely Mentally Ill
Beata Zolovska, Columbia University

Legally-Mandated Conflicts of Interest (within the California Workers Compensation system)
David M. Reiss, Private Practice, San Diego, USA

Organizational Conflicts of Interest in the creation of the DSM V and the APA Treatment Guidelines
Harold Bursztajn, Harvard Medical School

Ethical Dilemmas and Conflict of Interest in Informed Consent
Robindra Paul, Private Practice, Cleveland, USA

Journal Conflict of Interest Policies in Medicine & Toxicology

Sheldon Krinsky, Tufts University

Room G IMPROVING POLICE RESPONSE TO PERSONS WITH MENTAL ILLNESS

Procedural Justice and the Experiences of Persons with Mental Illness who Come in Contact with the Police

Amy C. Watson, University of Illinois at Chicago

Philadelphia: A Police Crisis Intervention Team (CIT) Evaluation

Melissa Schaefer Morabito, University of Massachusetts Boston

CIT in Chicago: Testing a Systems Level Intervention

Amy Kerr, University of Illinois at Chicago

The Boston Police Study: Comparing CIT With Other Models For Police Management Of Crises Involving Persons With Serious Mental Illness

William H. Fisher, University of Massachusetts

The Georgia Crisis Intervention Team (CIT) Statewide Training Program: An Overview of Research Findings

Michael T. Compton, Emory University

ROOM I WE CAN'T DO IT ALONE: PARTNERSHIP AS KEY TO WORKING WITH INDIVIDUALS WITH CONCURRENT DISORDERS AND CRIMINAL JUSTICE INVOLVEMENT

Concurrent Disorders: Embracing Best Practice

Lucy Hume, The Jean Tweed Centre, Etobicoke, Canada

Concurrent Disorders: The Role of Community Partnerships

Mohamed Badsha, Reconnect Mental Health Association, Etobicoke, Canada

Understanding the Challenge of Concurrent Disorders for those with Criminal Justice Involvement

Arla Hamer, Reconnect Mental Health Association, Etobicoke, Canada

Embracing a True Recovery Model: The Evolution of San Francisco's Behavioral Health Court

Jennifer Johnson, Office of the Public Defender, San Francisco, USA

Room J SURVIVOR THERAPY EMPOWERMENT PROGRAM (STEP) FOR ABUSED WOMEN IN JAIL

Survivor Therapy Empowerment Program (STEP) with Abused Women in Jail
Philosophy and Organization of Program
Lenore E. Walker, Nova Southeastern University

Survivor Therapy Empowerment Program for Abused Women in Jail with
Substance Abusing Women
Crystal Carrio, Nova Southeastern University

Survivor Therapy Empowerment Program (STEP) for abused women in jail
ethical and logistical concerns
Kelley Gill, Nova Southeastern University

Survivor Therapy Empowerment Program (STEP) for abused women in jail
Special Issues
Gillespie Stedding, Nova Southeastern University

Survivor Therapy Empowerment Program (STEP) for abused women in jail
Evaluation and Assessment for Evidence Based Treatment
Maria Karilshah, Nova Southeastern, USA

Room L SUBJECTIVITÉS POLITIQUES ET SÉCURITÉ NATIONALE: PROFESSIONNELS
DE LA SANTÉ ET COMBATTANTS ILLÉGAUX DANS LA LUTTE CONTRE LE
TERRORISME

Responsabilités académiques et pratiques éthiques : instrumentalisation de la
pratique infirmière avancée dans la lutte contre le terrorisme
Amélie Perron, Université d'Ottawa

Medical Ethics is over 2000 years old: Isn't it time for the UN Principles of
Medical Ethics to have Muscle?
Peter Golden, Victoria Coalition for the Survivors of Torture, Canada

Aucun droit à la mort: sécurité, torture biomédicale et prisonniers politiques
Stuart J. Murray, Ryerson University

Infirmières au service de l'État : de la lutte contre le terrorisme aux violations
déontologiques
Dave Holmes and Jean-Daniel Jacob, Université d'Ottawa

Room M ABUSO SEXUAL INFANTIL, Y ASPECTOS PSICOPATOLÓGICOS Y
PSICOMÉTRICOS EN OFENSORES, VÍCTIMAS Y ESTADOS TERMINALES

Abuso sexual infantil: Nueva demandas
Maria Cristina Milanez Werner, Magistrate School of Rio de Janeiro State

Justicia Terapéutica: Un programa para trasgresores jóvenes con problemas de uso, abuso o dependencia a drogas en Brasil

Jairo Werner, School of Rio de Janeiro

Evaluaciones neuropsicológicas en trasgresores Brasileños jóvenes

Maria Fernanda Faria Achá, Psychiatrist in Private Practice, Sao Paolo, Brazil

Síndrome de alienación parental y falsas memorias: Algunas relaciones posibles

Jorge Trindade, Instituto de Psicologia, Porto Alegre, Brazil

Psicopatología e interpretaciones de la muerte

Guillermo Diaz Pintos, Universidad de Castilla-La Mancha

2:00 PM

Room A THERAPEUTIC JURISPRUDENCE AND ELDER LAW

Medical Decision Making for Decisionally Incapacitated Elders: Is “Best Interests in the Patient’s Best Interests?”

Marshall Kapp, Southern Illinois University School of Law

Guardianship for Your Own Good: Maximizing the Best Interests of Respondents and Wards

Jennifer Wright, St. Thomas School of Law

Aging, Driving and Public Health: A Therapeutic Jurisprudence Approach

Perez Alina, Nova Southeastern University

Older Persons in Prisons and Residential Treatment Settings: A Therapeutic Jurisprudence Perspective

John R. Williams, Aberystwyth University (JRW)

Older Persons in Prisons and Residential Treatment Settings: A Jurisprudent Science Perspectives

Eric Y. Drogin, Harvard Medical School

Room B ELECTRIC STUN GUNS AND MENTAL HEALTH

Electric Stun Guns: An Open Question

Thomas Wenzel, Medical University of Vienna

Electric Stun Guns: Research and Research Ethics

Fabian Friedrich, Medical University of Vienna

Electric Stun Guns: Risk and Mental Health
Monika Freidl, Medical University of Vienna

Tasers in mental health emergencies in New Zealand. Preliminary analysis of police reports
Anthony J. O'Brien, University of Auckland

ROOM C ONLINE EDUCATION IN MENTAL HEALTH AND THE LAW

An Online Ethics Course in Forensic Mental Health
David I. Shapiro, Nova Southeastern University

Advocacy Skills in Cases Involving people with Mental Disabilities
Richard I. Friedman, New York Law School

Online Distance Education: An Important Pedagogical Force
Andrea Risoli, New York Law School

Online Education: Pros and Cons
Lenore Walker, Nova Southeastern University

Room D USE OF PSYCHOLOGICAL DEFENSE MECHANISMS IN WORKERS
 COMPENSATION MEDICAL-LEGAL EVALUATIONS - PTSD AND PRE-
 EXISTING AXIS II PATHOLOGY

The Neglected Understanding of Psychological Defense Mechanisms in Medical-Legal Evaluations: The Interactions of Post-Traumatic Stress Disorder and Pre-existing Personality Traits and Dynamics
David M. Reiss, Psychiatrist in Private Practice, San Diego, USA

Assessment and Treatment Planning for PTSD based on "Core Clinical Hypotheses"
Barbara L. Ingram, Pepperdine University

Projections, Transferences, and Counter-Transferences in Complex Situations Involving with Multiple Participants
Greg Nolan, University of Leeds

The Neglected Issues of the "Passive and Convenient Focus" and the Use of Psychological Defense Mechanisms in Workers Compensation Medical-Legal Evaluations: Post-Traumatic Stress Disorder
Paula Buckley, Castle School, Cambridge, USA

- Room E **BIOLOGICAL PSYCHIATRY, DRUG ADDICTION AND FORENSICS IN THE NETHERLANDS**
- Serious Drug Addiction Overrides the Principle of *Culpa-in-causa*
Karel Oei, Tilburg University
- The Importance of the Patient-Doctor-Relationship in Forensic Psychiatry: A Questionnaire Based Research
Harald de Burlet, De Tender, Deventer, The Netherlands
- The Relevance of Epilepsy for Forensic Psychiatry
Siegfried Tuinier, Vincent van Gogh Institute for Psychiatry, Venray, The Netherlands
- Pharmacological Interventions on Psychiatric Comorbidity in a Forensic Population and an Outpatient Addiction Unit : A Short-Term Pilot Study on How Symptom Reduction Facilitates Other Therapeutical Interventions
Geert Schuthof, Ministry of Justice, Zwolle, The Netherlands
- Quality of Life in a Population of Dutch Prisoners with Mental Disorders: Relations with Psychopathological, Social, Demographical, Judicial and Penitentiary Factors
Jan-Cees Zwemstra, N.I.F.P., Den Bosch, The Netherlands
- Room F **SUPPORTING COMMUNITY RE-ENTRY AND RECOVERY FOR PERSONS WITH MENTAL ILLNESS**
- Re-Entry and Recovery for People with Mental Illness Leaving Jail and Prison
Jeffrey Draine, University of Pennsylvania
- Critical Time Intervention for People with Severe Mental Illness Leaving Prison
Jenny Shaw, University of Manchester
- Supporting Re-Entry from Prison in Illinois: Evaluation of a Forensic Assertive Community Treatment Program
Beth Angell, Rutgers School of Social Work
- Life Sentence Prisoners on Parole: Risk, Recall and Intimate Partner Violence
Wendy Morgan, London Metropolitan University
- Room G **DEVELOPMENT AND EFFECT MEASUREMENT OF THERAPY IN JUVENILE DELINQUENCY**

Emotional Memory and Cortisol in Different Dimensions of Psychopathy
Maaïke Cima, Maastricht University

Treatment of Juvenile Offenders, Efficacy and Effect Measurement
Andries M. Korebrits, Radboud University Nijmegen

Cognitive Behavioral Treatment Of Juvenile Offenders. Two Group Programmes
 In A Child And Adolescent Forensic Outpatient Clinic In Zurich, Switzerland
Madleina Manetsch, University of Zurich

The Goal Management Training for Juvenile Offenders: An Intervention Study
Dagmar Versmissen, Maastricht University

Metacognitive Training in Juvenile Offenders
Ilse Janssen, Maastricht University

Room J **ALTERNATIVES TO SEGREGATION FOR ADULT AND JUVENILE
 PRISONERS WITH MENTAL DISORDERS: LEGAL AND CLINICAL ISSUES**

Segregation of Mentally Ill Offenders: Mental Health and Legal Implications
Karen Talley, Disability Law Center, Boston, USA

Alternatives to Segregation for Mentally Ill Offenders: Legal Issues in Adult
 Facilities
Richard Glassman, Disability Law Center, Boston, USA

Alternatives to Segregation for Mentally Ill Offenders: Legal Issues in Juvenile
 Facilities
Robert Fleischner, Center for Public Representation, Northhampton, USA

Defining Serious Mental Illness & Treatment in a Secure Setting
Kathryn A. Burns, Case Western Reserve University

Room K **MANAGEMENT OF INSANITY ACQUITTEES: A MULTI-STATE
 PERSPECTIVE**

Management of Insanity Acquittees: A multi-state perspective Part 1: The New
 York System
Li-Wen Lee, NYS Office of Mental Health, New York City, USA

Management of Insanity Acquittees: A multi-state perspective Part 2: The
 Massachusetts System
Debra Pinals, University of Massachusetts

Management of Insanity Acquittes: A multi-state perspective Part 3: The Connecticut System
Michael Norko, Yale University

Room L L'INTERVENTION PSYCHOLOGIQUE SUITE À LA FUSILLADE DU 13 SEPTEMBRE 2006 AU COLLÈGE DAWSON DE MONTRÉAL : PREMIÈRE PARTIE

L'intervention psychologique suite à la fusillade du 13 septembre 2006 au Collège Dawson de Montréal: Introduction au symposium
Warren Steiner, Hôpital Général de Montréal, Canada

L'intervention psychologique suite à la fusillade du 13 septembre 2006 au Collège Dawson de Montréal : Impact psychologique
Stéphane Guay, Hôpital Louis-H Lafontaine, Montreal, Canada

L'intervention psychologique suite à la fusillade du 13 septembre 2006 au Collège Dawson de Montréal: Impact sur l'utilisation des services
Alain Lesage, Hôpital Louis-H Lafontaine, Montreal, Canada

L'intervention psychologique lors de la fusillade du 13 septembre 2006 au Collège Dawson de Montréal: L'intervention 'de facto'
Pierre Bleau, Hôpital Général de Montréal, Canada

4:00 PM

Room A THERAPEUTIC JURISPRUDENCE AND AUDIO/VISUAL/CINEMATIC WAYS OF COMMUNICATING ABOUT LAW

Enhancing Client Well-Being: Integrating Audio-Visual Jurisprudence and Therapeutic Jurisprudence
Colette R. Brunschwig, University of Zurich

Therapeutic Jurisprudence as Screen-Based Reality
Richard K. Sherwin, New York Law School

Audiovisual Communication and Therapeutic Jurisprudence: Cognitive and Social Psychological Dimensions
Neal Feigenson, Quinnipiac University School of Law

Therapeutic Jurisprudence can use Visual/Auditory/Cinematic ways of Communicating About Law

Bruce J. Winick, University of Miami

Room B **SEX OFFENDERS**

The Assessment of Sex Offenders for Civil Commitment in the Massachusetts
Department of Correction

Nick Tomich, University of Massachusetts at Boston

Rehabilitation: Fact or Fiction?

Tony Ellis, Barrister, Wellington, New Zealand

What Survivors, Offenders & Police Officers Tell Us about Sexual Grooming: An
Update

Samantha Craven, Coventry University

Evaluation of Juveniles Charged With Sex Offenders: How Do They Differ From
Adult Offenders

Eileen P. Ryan, University of Virginia

Technological Innovations in the Location of Sex Offenders Who Fail to Report
to (or Abscond from) Sex Offender Registries

Donald Rebovich, Utica College

Sex Offender's Report of Therapeutic Alliance, and Staff's Experience of Doing
the Work

A. Scott Aylwin, University of Alberta

Room C **LEGAL DIMENSIONS OF TRAUMA AND TORTURE**

Intermediary Services for Child Witnesses Testifying in Criminal Court
Proceedings in South Africa

Gert J. Jonker, Bethany House Trust, Krugersdorp, South Africa

Does the European Court of Human Rights Take Mental Health Seriously?

Brice Dickson, Queen's University Belfast

Three Roads to Increase the Validity of Forensic Statements on Torture

Erik Edston, Department of Forensic Medicine, Linköping, Sweden

Lack Of A Diminished Responsibility Defense Under The International Criminal
Court (ICC) Statute And Contemporary Human Rights Issues

Dragana Radosavljevic, University of Greenwich

Room D PRISON CULTURE AND PSYCHOLOGICAL HEALTH

Compensation for Psychiatric Injury in Canadian Penitentiaries
John L. Hill, Barrister & Solicitor, Toronto, Canada

Co-occurring Chronic Medical Conditions among Adult Jail Detainees in
Psychiatric Treatment
James Swartz, University of Illinois at Chicago

The Effect Of Prison on Mental Health of Young Offenders
Vicky Bell, The University of Manchester

Prisoners and Mental Health: The Case of Enugu Prison, South Eastern Nigeria
Ernest Nnamdi Ogbozor, Prisoners Rehabilitation and Welfare Action (PRAWA)
Sabo Yaba, Nigeria

Do Foreign National Prisoners Have a Clinical Profile to British Prisoners?
Piyal Sen, Priory Secure Services, Milton Keynes, UK

Room E RISK ASSESSMENT IN SPECIAL POPULATIONS

Introducing A New Fourth-Generation Risk-Need Assessment Tool For Youths
At Risk For Antisocial Behavior
Henrik Andershed, Örebro University

The Role Of Approved Social Workers In Assessing Risk And Implementing
Mental Health Law In Northern Ireland
Gavin Davidson, Queen's University Belfast

Recidivism In Different Subgroups Of Serious Juvenile Offenders: Risk Factors
For Overall Recidivism And Seriousness Of Recidivism
E.A. Mulder, Erasmus University

Sins of the Fathers: Incarcerated Male Repeat Offenders
Ellen Kjelsberg, Ullevaal University Hospital, Oslo, Norway

The Victimological Risk: The Behavioral Factors which Increase the Risk
Fabio Delicato, Ordine degli Psicologi Italiani, Napoli, Italie

Circumstantial Risks in Psychotic Offenders and their Criminal History: A
Review of the Literature
Kris Goethals, Pompe Foundation, Nijmegen, The Netherlands

Room F ENHANCED DRUG COURT SUCCESS

The Use of Design in Transformative Group Addiction Treatment
John Kleinpeter, California State University

Specialty Groups for Drug Court Participants
Connie Ireland, California State University

Drug Testing for Addicted Offenders in the Community
Mack Jenkins, Chief Probation Officer, County of San Diego, USA

Enhanced Drug Court Success
Jo Brocato, California State University

Group Treatment For Trauma
Cathy Golden Joseph, Orange County Health Care Agency, Santa Ana, USA

Residential Treatment for Drug Court Offenders
Emily Baker, California State University, Long Beach

Room G **A DISABILITY RIGHTS TRIBUNAL IN ASIA**

Necessity And Possibility of Establishing Disability Rights Retinal Tribunal in Asia Pacific
Yoshikazu Ikehara, Tokyo Advocacy Law Office, Japan

Why Appointment of Counsel Should Be The First Priority
Michael Perlin, New York Law School

Mental Health Tribunals: Balancing Fairness, Freedom, Protection and Right to Treatment?
Terry Carney, University of Sydney

Enhancing Advocacy for Woman with Mental Disabilities in Asia and the Pacific Rim & the Potential Impact of the Adoption of A Disability Rights Tribunal in Asia and the Pacific Rim
Deborah A. Dorfman, Disability Rights Legal Center

Room H **AGE, CRIMINALITY, VIOLENCE AND FORENSICS IN THE NETHERLANDS**

Behavioral Changes during Admission in a Youth Forensic Psychiatric Hospital: A Multilevel Model
Chijs van Nieuwenhuizen, Tilburg University

Mental Disorder in Elderly Justiciables in the Netherlands

Co Bleeker, Ministry of Justice, Amsterdam, The Netherlands

Dimensional Assessment of Personality (Disorders) in Incarcerated Boys Related to Axis-I disorders, Trauma and Committed Crimes

Ellemiek Nederlof, NIFP Rotterdam, The Netherlands

Envelopment and Development

Victor G. Kouratovsky, Riagg Rijnmond, Rotterdam, Netherlands

Relation between Fear of Crime, Crime Victimization and Punitive Attitudes: A Contextual Analysis

John van Kesteren, Tilburg University

Room L L'INTERVENTION PSYCHOLOGIQUE SUITE À LA FUSILLADE DU 13 SEPTEMBRE 2006 AU COLLÈGE DAWSON DE MONTRÉAL: DEUXIÈME PARTIE

L'intervention psychologique suite à la fusillade du 13 septembre 2006 au Collège Dawson de Montréal: Les besoins non-comblés par l'intervention 'de facto'

Paule Miquelon, Hôpital Louis-H Lafontaine, Montreal, Canada

L'intervention psychologique suite à la fusillade du 13 septembre 2006 au Collège Dawson de Montréal: L'intervention psychologique idéale

Monique Séguin, Université du Québec en Outaouais

L'intervention psychologique suite à la fusillade du 13 septembre 2006 au Collège Dawson de Montréal: Comment diffuser l'intervention psychologique idéale

Denise Roy, Hôpital Louis-H Lafontaine, Montreal, Canada

L'intervention psychologique suite à la fusillade du 13 septembre 2006 au Collège Dawson de Montréal: La responsabilité sociale du Collège Dawson comme institution apprenante

Richard Filion, Collège Dawson

Room M UNA PERSPECTIVA INTEGRANDO EL DERECHO Y LAS CIENCIAS DE CONDUCTA

Justicia Terapeutica: Una Sobrevista

David Wexler, University of Arizona

Violencia Familiar: Dimensiones del Problema, Intervenciones y Estrategias

Zulema Wilde, Judge of the National Court Of Appeal, Buenos Aires, Argentina

La Justicia Terapeutica es Para Todos
Wanda Cruz, Administracion de Tribunales, San Juan, Puerto Rico

Aplicación de un Modelo Sistemático para Propiciar la Autoeficacia y
 Modificación de Conducta de los Participantes de las Cortes de Drogas
Ana M. López Beltrán, Interamerican University

Un Modelo Integral : La justicia terapéutica en la educación judicial
Anabel Toledo-Hernandez, Judicial Academy of Puerto Rico

Evaluación de la participación en 100 juicios orales de los peritos del Area de
 Salud Mental del Servicio Medico Legal en el periodo de Julio 2006 a Mayo del
 2007
Paula Araya, Neurólogo Forense, Servicio Medico Legal de Santiago, Chile

WEDNESDAY, JULY 1ST, 2009

9:00 AM

Room A **LAWYERING IN A THERAPEUTIC KEY**

"Hold the Violins!": Creating Credibility in a Therapeutic Jurisprudence-Skeptical
 Court
Beth Bromberg, Barrister and Solicitor, Ontario, Canada

Criminal Defense: It Is Not What It Used To Be
Michael Rosen, Attorney, Miami, USA

Using TJ in Special Needs Planning
Jessica Coussineau, Attorney, Tigard, USA

Applying Principles of Therapeutic Jurisprudence in Corporate and Business Law
 and in Mediation
Carolyn Hanson, Attorney, New York, USA

Therapeutic Jurisprudence at Guantanamo: Making Them Feel Human Again
Mavish Khan, Attorney, New York, USA

Room B **SEXUALLY AGGRESSIVE BEHAVIOR**

Understanding Stalking Violence: The Influence of Predisposing and Contextual
 Factors in a Sample of Stalking Court Transcripts
Carleen Thompson, Griffith University

Defining Relational Stalking: An Investigation of the Stalking Continuum according to Repetition and Duration of Harassment

Susan Dennison, Griffith University

Stalking in Context: The Contexts in Which Stalking Behaviors Occur

Nicola Cheyne, Griffith University

Underlying Psychopathic Traits, Rape Myth Acceptance, and Rape Proclivity in Male College Students

Jessica D. Hegyi, John Jay College of Criminal Justice

The Decoding of Women's Non-Verbal Cues by Rape Prone Men

Emily Blake, University of Kent

Room C DOMESTIC AND FAMILY VIOLENCE

Alberta's Provincial Family Violence Treatment Program

Laurie Beverley and Sue Ludwig, Alberta Mental Health Board, Canada

The State as Batterer: Learning from Family Law and Domestic Violence to Address America's Family-Like Racial Dysfunction

Angela Mae Kupenda, Mississippi College School of Law

An Exploration Of The Typologies Of Male Intimate Partner Violence Perpetrators Using The Spousal Assault Risk Assessment In A Sample Of UK Men

Sinead Bloomfield, Ministry of Justice, London, UK

The Dynamic of Filicide

Georgia Zara, University and Polytechnic of Turin

Using the Mental Health System to Assist Courts in Identifying Parents Who Kill Their Children in Custody Cases or Will Such Identification Always Be a Game of Russian Roulette for the Judge?

Laurence C. Nolan, Howard University

Room D SUICIDAL BEHAVIOR

The Etiology and Management of Suicidal Behavior

Andrew E. Slaby, New York University

The Assessment of Imminent Risk for Suicide

Lanny Berman, American Association of Suicidology, Washington, USA

Rigidity and Perfectionism: The Obsessive-Compulsive Personality Disorder Link to Suicidality

Gabriel Diaconu, Université de Québec à Montréal

Testing the Validity of the Suicide Probability Scale with Male Inmates

Marc Daigle, University of Quebec at Trois-Rivières

Prevention of Suicide and Civil Liability

Danuta Mendelson, Deakin University

Room E EMERGING ISSUES IN NEW YORK ASSISTED OUTPATIENT TREATMENT (AOT) 2000-2009

Right v. Rights: Outpatient Treatment Laws for Resistant Patients

Laura Downs, Assisted Outpatient Treatment Program, Kings and Richmond Counties, USA

Emerging Policy Considerations in New York State Assisted Outpatient Treatment as Case Law and Definitions of "Likely to Benefit" Evolve

Liza Bowers, Woodhull Medical and Mental Health Center, New York City, USA

Does the AOT Psychiatric Evaluation Set Up Patients to Fail? An Inquiry

Edgar Velazquez, Woodhull Medical and Mental Health Center, New York City, USA

The Problem with Hearsay in Psychiatric Evidence

Susan Guercio, New York City Health and Hospitals Corporation, USA

Room F YOUTH IN CONFLICT WITH THE LAW I

Psychopathic Traits in Early Childhood: Initial Tests of a New Assessment Tool

Henrik Andershed, Örebro University

Criteria for Criminal Responsibility: Does Less Certainty Provide More Protection?

Bernard Starkman, Health Canada, Ottawa, Canada

Juvenile Crime and Violence Prevention in Traumatized Refugee Families

Edith Montgomery, Rehabilitation and Research Centre for Torture Victims (RCT), Copenhagen, Denmark

Gulf Coast Juvenile Justice Systems: Surviving Katrina

Cheryl D. Wills, Case Western Reserve University

Effective Components and Principles in Interventions for Children with or at Risk for Conduct Problems

Anna-Karin Andershed, Orebro University

Room G PARADIGMS OF SOCIO-POLITICAL PHENOMENA AND CONSCIOUSNESS

The 2008 US Presidential Election: A Construct of Sociopolitical Phenomena from a Development/Characterological Viewpoint

David M. Reiss, Private Practice, San Diego, USA

The 2008 US Presidential Election: Psychological Perception And Role Of Women

Paula Buckley, Castle School, Cambridge, USA

The 2008 US Presidential Election : Personality Dynamics and Political Campaign Strategies

Michael Bassik, MSHC Partners, Inc., Washington, USA

The 2008 US Presidential Election: Political Campaign Strategies for Attracting the Support of Specific Population Demographic Groups

Neil Chiragdin, New York University

Paradigms of Socio-Political Phenomena and Consciousness: Culture and Civilization

Trevor Smith, Carleton University

Room H RESILIENCE AND DEVELOPMENT: PSYCHOSOCIAL APPROACH

Pathways to Peace: Building Resilience through Education in Emergencies

Martha Llanos, Peruvian Society of Bioethics, Lima, Peru

Community Resilience: From WAKCHA Life to Allin Kausay

Victoria Pareja, Peruvian Society of Resilience, Lima, Peru

I Have, I Am, I Can: A Study of Multiple Sources of Resilience in Peruvian Earthquake Survivors

Rafael Gargurevich, Peruvian University of Applied Sciences

Resilient Attitudes towards Terrorism

Carmela Casique, Society of Resilience, Lima, Peru

Coping and Resilience in Street Children of Metropolitan Lima

Aurea Alcalde, San Marcos University

- Room I CHILDHOOD-ONSET DISRUPTIVE BEHAVIOR DISORDERS AND LONGITUDINAL DEVELOPMENT INTO ADULTHOOD ANTISOCIAL PERSONALITY DISORDER
- Paternal Age and Its Implication for Neurodevelopmental Problems
Sebastian Lundström, Lund University
- Phenotype Definition for Adult Aggressive Antisociality: The Role of Childhood-onset Disruptiveness
Björn Hofvander, Lund University
- Personality Development on the Basis of Neurodevelopmental Disorders
Tomas Larson, Lund University
- Neuropsychiatric Disorders, Cognition and Personality in Institutionalized Youths
Ola Ståhlberg, University of Gothenburgh
- Longitudinal Studies of Psychopathy and Personality Disorders
Thomas Nilsson, University of Gothenburg
- Room J INDIGENOUS WOMEN & CHILDREN IN CANADA AND THEIR RIGHTS
- The Intersectionality of Race, Class and Gender in the Canadian Sex Trade
Nahanni Fontaine, Southern Chief's Organization, Winnipeg, Canada
- Indigenous Women and The Role of Language in Land and Resource Governance

- Bill C-31: The Extinction of "Indians" in Canada
Ashley Quinn, University of Toronto
- Women are the Fastest Growing Prison Population, but Why Should You Care?
Kim Pate, Canadian Association of Elizabeth Fry Societies, Ottawa, Canada
- Room L DEPENDANCES, SANTE MENTALE ET DELINQUANCE A L' ADOLESCENCE : JEUNES EN READAPTATION ET PERSPECTIVES CLINIQUES : PARTIE I

Consommation de psychotropes et persistance du trouble des conduites chez les adolescents des Centres jeunesse du Québec

Myriam Laventure, Université de Sherbrooke

Prescription et polyprescription de médicaments psychotropes aux adolescents faisant l'objet d'un placement en centre de réadaptation

Julie Desjardins, Université de Montréal

Trajectoires de réadaptation d'adolescents en traitement de la toxicomanie: influence des problèmes concomitants de santé mentale et de délinquance

Karine Bertrand, Université de Sherbrooke

L'alliance thérapeutique dans le contexte de la réadaptation des jeunes

Mylène Orsi, Université de Montréal

Room M CUESTIONES JUVENILES

Cuestiones Juveniles: Evaluación psiquiátrica de trasgresores juveniles

Gustavo Bonini Castellana, University of Sao Paulo

Cuestiones Juveniles: Psicoterapia para homicidas jóvenes

Fabiana Saffi, University of Sao Paulo

Cuestiones Juveniles: Prevalencia de desórdenes relacionados con uso de sustancias entre jóvenes encarcelados

Andre Castilho Valim, University of Sao Paulo

Cuestiones Juveniles: Prevalencia de Desórdenes de Personalidad en jóvenes encarcelados

Daniel Martins de Barros, University of Sao Paulo

Cuestiones Juveniles: Parámetros Neuropsicológicos y Cognitivos

Sergio Paulo Rigonatti, University of Sao Paulo

Cuestiones Juveniles: Datos epidemiológicos de niños y adolescentes víctimas de violencia sexual.

Antonio de Pádua Serafim, University of Sao Paulo

11:00 AM

Room A TJ AND LAWYERING SKILLS

The Making of a Therapeutic Jurisprudence Lawyer

John V. McShane, Attorney, Dallas, USA

Client-Centered Interviewing: Improving Attorney-Client Interactions through
Therapeutic Jurisprudence and Multi-Cultural Training

Evelyn Cruz, Arizona State University

Supporting Lawyers: Supervising Attorneys' Personal Skills

Marjorie A. Silver, Touro Law Center, Central Islip, USA

A Defense Lawyer's Perspective on the Use of Apology

Beth Bromberg, Barrister and Solicitor, Ontario, Canada

Saying Sorry. . . Is it Enough? The Desirability and Efficacy of Apology Statutes

Justine Dunlap, Southern New England School of Law

Room B SEQUELS TO WAR AND VIOLENCE

Developing Strategies in Mental Health in a Post War situation

*Feride Rusihiti, Kosovo Rehabilitation Centre For Torture Survivors (KRCT),
Pristina, Kosovo*

The Post War Society and War Crimes: How Long Does it Take to Recover?

*Zdenka Pantic, International Rehabilitation Council for Torture Survivors Zagreb
Croatia*

Mental Health and Human Rights Under War Conditions: Some Lessons From
Iraq

Ali S. Numan, Baghdad Teaching Hospital, Iraq

Violence against Kosovar Albanian Women: Stigma and Avoidance of the Court

Hanna Kienzler, McGill University

Primo Levi: A Symbol in the Understanding of Human Suffering and Dignità

Stanislao G. Pugliese, Hofstra University

Room C BRAIN IMAGING IN COURT

Brain SPECT Imaging in Court: Uses and Controversies: PET

Joseph Wu, University of California, Irvine

Brain Imaging in Court: Uses and Controversies: SPECT

Daniel G. Amen, Amen Clinics, Inc. Orange County, USA

The Forensic Neuropsychiatric Uses and Misuses of Brain Imaging

Harold Bursztajn, Harvard Medical School

Brain SPECT Imaging in Court: Uses and Controversies: Broader Perspectives
Leonti Thompson, Amen Clinics, Inc., Santa Rosa, USA

Room D ASPECTS OF SECURITY, HEALTH AND THE LAW

Legal Aid for Health Professionals: The "Legal First-aid Kit"
Leopold-Michael Marzi, Vienna General Hospital, Austria

Gratitude Payment in Medical Practice: A Bird's Eye View on the Topic of
 Bribery in Healthcare
Gabriel Diaconu, Université de Québec à Montréal

Language, Responsibility and the Role of Translations in Consultation Services
Monika Krautgartner, Medical University of Vienna

The Cognitive Revolution in the Law
Emmanuel Didier, Ministry of National Defence, Ottawa, Canada

Room E THE ATROCITIES PERPETRATED AGAINST FALUN GONG PRACTITIONERS
 BY THE CHINESE COMMUNIST PARTY IN CHINA AND ABROAD

The Atrocities Perpetrated against Falun Gong Practitioners by the Chinese
 Communist Party in China and Abroad
Viviana Galli, China Mental Health Watch, Poughkeepsie, USA

The Atrocities Perpetrated against Falun Gong Practitioners by the Chinese
 Communist Party in China and Abroad
Jingduan Yang, Jefferson University

The Atrocities Perpetrated against Falun Gong Practitioners by the Chinese
 Communist Party in China and Abroad
Gail Rachlin, Falun dafa Information Centre, New York City, USA

The Atrocities Perpetrated against Falun Gong Practitioners by the Chinese
 Communist Party in China and Abroad
Terri E. Marsh, Human Rights Law Foundation

China, Organ Harvesting and the World Medical Association
David Matas, University of Manitoba

Room F YOUTH IN CONFLICT WITH THE LAW II

Juvenile Sex Offenders and Sexually Violent Predator Legislation
Eileen P. Ryan, University of Virginia

The Gang Subculture and Locura
James Diego Vigil, University of California Irvine

What Works for Juvenile Delinquents: A Systematic Review of Meta-analyses
Anna-Karin Andershed, Orebro University

Transmitting and Transcending Violence in the Home, School and Street:
 Conceptual and Practical Perspectives for Transformation
Samuel Aymer, City University of New York

Room G **QUESTIONING THE FOUNDATIONS OF FORENSIC PSYCHIATRY: A CROSS-DISCIPLINARY APPROACH**

Reduced Accountability as a Function of Psychiatric Disorder: A Study of
 Forensic Psychiatric Assessments
Pontus Höglund, Rättspsykiatriska kliniken, Malmo, Sweden

An Ethical Problem: Detainment vs. Treatment
Bengt Brülde, University of Gothenburg

Mental Disorder as a Cause of Crime: The Cornerstone of Forensic Psychiatry
Susanna Radovic, University of Gothenburg

A "Postpsychiatric" Epistemology and Clinical Practice for Forensic Psychiatry
Henrik Anckarsäter, University of Gothenburg

Room H **THE VARIOUS MEANINGS OF TRAUMA I**

Philoctetes Rotting Foot: Sophocles and Pain
Gary Rosenshield, University of Wisconsin-Madison

Is "Freedom for the Thought That We Hate" Still the Rule Under the First
 Amendment Today? A Review & A Case Study
Gerald J. Thain, University of Wisconsin

Post Traumatic Stress Disorder, Veterans and Beyond
Leonard Kaplan, University of Wisconsin-Madison

The Spectacle of Suffering: Imagery of Torture in Religious and Political
 Contexts
Patricia Likos Ricci, Elizabethtown College

The Practice of Female Genital Circumcision in the Context of Trauma and Universal Human Rights

John O. Ifediora, University of Wisconsin-Platteville

Room I MENTAL HYGIENE

Cruel Solutions: Forced Administration of Psychotropic Drugs through a Nasogastric Tube

Dennis B. Feld, Mental Hygiene Legal Service, Long Island, USA

Involuntary Maintenance Shock Treatment: Fine Lines Separate Terror, Torture and Treatment

Kim L. Darrow, Mental Hygiene Legal Service, Long Island, USA

Iatrogenic Injury in Psychiatry

Peter Stastny, South Beach Psychiatric Center, Staten Island, USA

The Price of Coercion: When Courts Remedy Unlawful Confinement and Medication Over Objection

William Brooks, Touro College

Room J PRISON PSYCHIATRY

The Role of Hospitalization in the Management of Prisoners with Psychopathic Disorders

Norbert Konrad, Charite University Medicine Berlin

The Role of Comorbid Psychiatric Disorders and Legal Opportunities in Risk Management of Paedosexual Men

Frank Wendt, Charite University Medicine Berlin

Prediction of Problem Behavior in Prison using the Level of Service-Inventory-Revised

Vera Schneider-Njepel, Charite University Medicine Berlin

Predicting and Distinguishing Self-injurious Behavior in Custodial Settings

Johannes Lohner, Young Offenders' Institution Neuburg-Herrenwörth, Neuburg/Do., Germany

Room L DEPENDANCES, SANTE MENTALE ET DELINQUANCE A L' ADOLESCENCE : JEUNES EN READAPTATION ET PERSPECTIVES CLINIQUES : PARTIE II

Adolescents en traitement de la toxicomanie : Le vécu et les perceptions de ceux présentant des comportements suicidaires

Cinthia Ledoux, Université du Québec à Trois-Rivières

Approches psychodynamiques et psychocriminologiques d'adolescents fugueurs

Bernard Gaillard, Université de Rennes II

Prévention du risque suicidaire et des actes d'automutilation dans la prison des mineurs

Ugo Sabatello, Sapienza Université de Rome

Un centre de jour pour les jeunes en difficulté : De l'hospitalité à la responsabilité

Diane Aubin, Dans la rue, Montréal, Canada

Room M REUNION DE TRABAJO: SOCIEDAD, CRIMINALIDAD, VIOLENCIA Y HOMICIDIO EN LATINOAMERICA: HACIA SU TRATAMIENTO Y PREVENCIÓN

José G. V. Taborda, University of Rio Grande del Sol

Enrique Sepúlveda, Universidad de Chile

Juan Ugalde,

Guido Berro

JJ Carrasco (España)

2:00 PM

Room A SOCIAL SCIENCE INSIGHTS TO IMPROVE LAWYERING

Counselors-At-Law and Therapeutic Counseling—All Good Intentions Are Not Enough: Therapeutic Jurisprudence and the Science of Human Motivation

Michael D. Clark, Center for Strength-Based Strategies, Michigan, USA

"East Side, West Side, All around the Brain: The Role of Cognitive Complexity and Emotional Intelligence in the Practice of Therapeutic Jurisprudence Part I

Patricia Murrell, University of Memphis, Tennessee

"East Side, West Side, All around the Brain: The Role of Cognitive Complexity and Emotional Intelligence in the Practice of Therapeutic Jurisprudence Part II

Philip Gould, University of Memphis, Tennessee

Relationship-Centered Lawyering: Social Science Theory for Transforming Legal Practice

Susan Brooks, Drexel University

A Relationship-Centered Approach to Fetal Alcohol Syndrome and Child Maltreatment: A Model of Practice to Frame Real-World Strategies

David Boulding, Attorney/Mediator, Port-Coquitlam, Canada

Room B CAPITAL PUNISHMENT

When is a Capitally Charged Client Incompetent?

David Freedman, Federal Public Defender, Arkansas, USA

Destruction of a Mind: The Effect of Death Row Confinement on Mental Condition Evidence

James G. Connell, III, Devine, Connell & Sheldon, P.L.C., Fairfax, USA

Domestic Rendition: Waiting for the Executioner

David L Lewis, Lewis & Fiore Esqs, New York City, USA

"Killing Fewer, and Killing Carefully": Death Penalty Reform in the People's Republic of China

Russell Stetler, Federal Public Defender, Oakland, USA

Moral Culpability, Blameworthiness and the Death Penalty in the United States

Mark E. Olive, Attorney-at-Law, Tallahassee, USA

Cyclical Symptoms and Irrevocable Punishment: Concerns about Executing the Severely Mentally Ill

John Blume, Cornell Law School

Room C PARRICIDE: LEGAL AND CLINICAL ASPECTS

Treatment Considerations for Adolescent Parricide Offenders and Other Violent Youth

Kathleen M. Heide, University of South Florida

Adolescent Parricide: Clinical and Legal Aspects

Carl P. Malmquist, University of Minnesota

Legal and Psychological Issues in the Assessment of Parricide Perpetrators

Charles P. Ewing, University of Buffalo

Psychopathy in Parricide Offenders

Wade Myers, University of South Florida

Room D HISTORICAL CONTROVERSIES INVOLVING JUVENILE OFFENSES

Life without Parole

William Bernet, Vanderbilt Forensic Services, Nashville, USA

Juveniles Sentenced to Life Without Parole: Developmental and Psychiatric Considerations

Diane H. Schetky, University of Vermont

Successful Rehabilitation of Juvenile Delinquents in New Orleans: The Coloured Waifs Home 1907-1933

Cheryl D. Wills, M.D., Case Western Reserve University

Room E DRUGS AND THEIR MISUSE

Opiophilia and Opiophobia: Can these Polarities in the Management of People with Persistent Pain be Reconciled Ethically and Safely?

Milton L. Cohen, University of New South Wales

Widening Drug Access and the Legal Regulation of Off-Label Paediatric Drug Use for Juvenile Depression in the UK

Nicola Glover-Thomas, University of Liverpool

An Investigation into the Relationship between Offending Behavior, Drug Misuse, Drug Treatment and Executive Functioning

Rebecca Gomm, British Psychological Society, Leicester, UK

Was it Meth or Madness? Methamphetamine and Criminal Responsibility

David Kan, San Francisco Department of Veteran Affairs Medical Center, USA

Room F FAMILIES WITH MENTALLY ILL PERSONS

Family Members' Experience of Involvement in Psychiatric Care

Mats Ewerson, Högskolan Dalarna, Sweden

E-Health, Depression and Family Support

Sigrid Stjernswärd, Malmö University

Children's Representatives in Psychiatric Services: What is the Outcome?

Margareta Östman, Malmö University

Room G **LEGAL PERSPECTIVES ON DISCRIMINATION**

Cognitive Psychology, Police Discretion, and the Fourth Amendment
Donald P. Judges, University of Arkansas

Language Law and Mental Health
Harold A. Maio, Consulting psychiatrist, Fort Meyers, USA

Marriage Laws as Eugenics for those Deemed Mentally Inferior: Ways to
Strengthen the Loving Analogy for Same Sex Marriage Advocates
Stephanie Boys, Indiana University

American Asylum Law and Human Rights
William E. Hoffman, Jr., King & Spaldin, Atlanta, USA

Asylum in the US Based on Sexual Orientation
Richard G. Dudley

Room H **INSANITY DEFENSE**

Diminished Capacity, NGRI and the videotaped confession
Harold Bursztajn, Harvard Medical School

Judge Bazelon's Role in Influencing the Insanity Defense
Robindra Paul, Private Practice, Cleveland, USA

Modern Day Insanity Cases: From John Hinckley to Andrea Yeats
Ryan C. W. Hall, University of South Florida

A Brief History of the Insanity Defense: Wild Beast to M'Naughten
Sara West, Case Western Reserve University

Can the Insanity Defense be applied to Psychopaths? Can the Insanity Defense be
applied to Psychopaths?
Mohan Nair, University of California Los Angeles

Analysis of Wrongfulness
Christopher J. Lockey, Oregon Health & Science University

Room J **MENTAL HEALTH ACTS IN THE UK II**

Has the English Mental Capacity Act 2005 enhanced Patients' Rights?
Paula Scully, Solicitor, Samuel Phillips Law Firm, Newcastle Upon Tyne

Exploring the impact of the amended British Mental Health Act on the attitudes and practice of mental health practitioners

Wally Barr, University of Liverpool

Definitional Changes Following the Mental Health Act 2007: The Legal Impact on Mental Health Practitioners in the UK

Nicola Glover-Thomas, University of Liverpool

The Mental Capacity Act 2005 Deprivation of Liberty Safeguards (England): protecting the liberty of people with dementia?

Geraldine Boyle, University of Bradford

Stakeholders' Views of the Role of the Mental Health Review Tribunal in Northern Ireland

Jim Campbell, Queens University Belfast

ROOM K CULTURAL FORMULATION IN FORENSIC PSYCHIATRY

Concept and Rationale of Cultural Formulation in Forensic Psychiatry

Jagannathan Srinivasaraghavan, Southern Illinois University

Challenges in the Management of African American Clients in Forensic Services

Thomas Osinowo, University of Toledo

Medical Malpractice as Collateral Damage

Alberto M. Goldwaser, New York University

Teaching of Cultural Psychiatry

Antony Fernandez, Virginia Commonwealth University

Room L EVOLUTIONS DES ARTICULATIONS SANTE/JUSTICE EN FRANCE

Historique et perspectives des éthiques, des pratiques, en matière d'articulation santé/justice

Sophie Baron-Laforet, Centre ressource pour intervenants auprès des auteurs de violence sexuelle, Ile de France

Loi(s) avancées ou résistances - Monkey see, monkey do?

Gérard Laurencin, Service Médico-Psychologique Régional Maison d'Arrêt de Seysses, Toulouse, France

Une clinique de l'enfermement à l'épreuve de l'incarcération

Charles Casanova, Service Médico-Psychologique Régional maison d'arrêt de Bois d'Arcy, Yvelines, France

4:00 PM

Room A THERAPEUTIC JURISPRUDENCE AND THE PROFESSIONS

When the Whole Is Greater Than the Sum of Its Parts: Interdisciplinary Collaboration in Law and Medicine to Improve the Community's Health
Charity Scott, Georgia State University

Medical-Legal Partnership as a Context for Teaching the Therapeutic Implications of Interdisciplinary Collaboration
Liz Tobin Tyler, Roger Williams University

Lawyers and Judges In Distress: TJ Analysis Why It Matters And How To Fix It
Amiram Elwork, Kristianstad University

The Learned Helpless Lawyer: Clinical Legal Education and Therapeutic Jurisprudence as Antidotes to Bartleby Syndrome
Amy Ronner, St. Thomas University

Room B VALIDITY AND USES OF ASSESSMENT SCALES

Assessing Predictive Validity of the Juvenile-Sex Offender Assessment Protocol (J-SOAP) in a Child Welfare
Robert Prentky, Fairleigh Dickinson University

Use of a Violence Prediction Tool to Prevent Patient-Initiated Aggression on a Psychiatric Intensive Care Unit
Diana Clarke, University of Manitoba

Does the MMPI-2 Assist with the Prediction of Sex Offender Recidivism?
Gladys Severson, Alberta Hospital Edmonton, Canada

Decision Making Capacity: Problems with Validity
Louis C. Charland, University of Western Ontario

Room C THE IMPACT OF MENTAL ILLNESS ON THE FAMILY AND THE COMMUNITY

Community Treatment Orders: Is there an Impact on the Quality of Life for persons with serious mental illness?

Deborah Corring, Regional Mental Health Care, London, Canada

Conditional Release in Western Australia: Effect on Hospital Length Of Stay
Steven P. Segal, University of California Berkeley

Deinstitutionalisation and Consequences of Displacement on Family Carers
Lynda Crowley-Cyr, James Cook University

Community Treatment Orders and Competence to Consent
D. H. Milne, University of Auckland

Family Group Decision Making in Child Welfare: Involving Families and Communities
Jessalyn Nash, American Humane Association, Englewood, USA

Room D ETHICS CONSULTATION FOR CAPACITY ASSESSMENT IN THE HOSPITAL AND THE COURTS

Reframing Capacity Assessment as an Ethical Issue
Jeffrey Spike, Florida State University

Ethics Consultation in Psychiatry
Karin Esposito, University of Miami

Ethics, Capacity Assessment and Psychiatric Practice
Kenneth W. Goodman, University of Miami

Committal in New Zealand: Demographic and Clinical Profile and Regional Variation
Anthony J. O'Brien, University of Auckland

Communitarianism as the Basis of Psychiatric Ethics
Michael Robertson, University of Sydney

The Responsible Clinician and the Provision of Treatment in Regional Secure Units: A Changing of the Guard?
Leon McRae, University of Nottingham

Room E DOMESTIC VIOLENCE AND MENTAL HEALTH: NEXT STEPS FOR INTERVENTIONS

Family Court as a Venue for Suicide Prevention
Catherine Cerulli, University of Rochester

Criminal Court Victim's Mental Health Burdens: Next Steps for Interventions
Karin Rhodes, University of Pennsylvania

Domestic Violence Interventions: What the Victim Wants
Melissa E. Dichter, University of Pennsylvania

The Goddess of Hope and Despair, Domestic Violence and Social Support
Lyn Francis, The University of Newcastle

Room F **MENTAL CAPACITY, AUTONOMY AND PROPERTY: THEORY AND PRACTICE**

Capacity, Changing Capacity, Mortgages and Elders in Australia
Fiona Ruth Burns, University of Sydney

Law Reform, Capacity and Statutory Wills: How to get inside the Testator's Head
Rosalind Croucher, Macquarie University

Of Families and Forgeries: The Intersection of Capacity and Proving Wills where Forgery is Alleged
John Croucher, Macquarie University

Property Management Orders in the Mental Health Context: Protection or Empowerment?
Fleur Beaupert, University of Sydney

Pride & Prejudice: A Story of Sexualities and Instabilities?
Derek Morgan, Sheffield Law School

Room G **QUALITY IMPROVEMENT OF FORENSIC MENTAL HEALTH EVALUATIONS AND REPORTS**

Quality and Quality Improvement in Forensic Mental Health Evaluations in The USA
Robert M. Wettstein, University of Pittsburgh

Quality Improvement of Forensic Mental Health Evaluations in The Netherlands
Nils Duits, Netherlands Institute of Forensic Psychiatry and Psychology, Amsterdam, The Netherlands

An Instrument for Quality Assessment of Pre-Trial Mental Health Evaluations, the STAR (Standardised Assessment of Reports)
Steven van der Hoorn, Netherlands Institute of Forensic Psychiatry and Psychology, Amsterdam, The Netherlands

Quality of Mental Health Evaluations In Scandinavia

Pål Grøndahl, University of Oslo

The Dutch National Register of Forensic Experts (NRGD)

Michel M.A. Smithuis, Netherlands Institute of Forensic Psychiatry and Psychology, Amsterdam, The Netherlands

Room H CHALLENGING ASSUMPTIONS ABOUT MEN WHO ABUSE THEIR PARTNERS

Passive Personality Styles in Spousally Violent Men: Addressing their Treatment Needs

Lisa Buys, Forensic Assessment & Community Services Edmonton, Canada

Adapting the Good Lives Model for Spousal Violence Treatment

Tom Gorman, Forensic Assessment & Community Services Edmonton, Canada

Dialectical Behavior Therapy and Spousal Violence Group Treatment for Assaultive Men

Audrey Stuckey, Forensic Assessment & Community Services Edmonton, Canada

Denial and Treatment Considerations in the Treatment for Assaultive Men

Andy Benjamin, Forensic Assessment & Community Services Edmonton, Canada

Room I RISK ASSESSMENT AND VIOLENCE PREVENTION IN FORENSIC MENTAL HEALTH AND ALLIED SERVICES

Risk Assessment Methods: Findings from a Systematic Review of Violence Prediction

James McGuire, University of Liverpool

Interventions to Reduce Violent Behavior: A Meta-Analysis of Medication and Psychosocial Outcome Studies

Maria Leitner, Infotech UK Ltd, Liverpool, UK

Patterns of Repeated Aggression on In-Patient Psychiatric Units and Sequence of Staff Responses

Wally Barr, University of Liverpool

Studying Best Practice in the Management of Interpersonal Violence: Developing Evidence-Based Recommendations

Richard Whittington, University of Liverpool

Room J PSYCHIATRIC AND CRIMINOLOGICAL ASPECTS AMONG PEOPLE WITH SEXUALLY RELATED PROBLEMS - SIX YEARS OF ABSEX

Pharmacological Treatment of Dangerous Paraphilic Sexual Offenders in Brazil - Issues and Controversies

Danilo Antonio Baltieri, ABC Medical School, Sao Paulo, Brazil

Substance Abuse and Impulsiveness among Females Convicted of Homicide or Robbery

Ricardo Frenkiel, ABC Medical School, Sao Paulo, Brazil

Substance Abuse, Impulsiveness and Criminal Problems among Hustlers

Fernanda Cestaro Prado Cortez, ABC Medical School, Sao Paulo, Brazil

Neuroticism among Juvenile Sexual Offenders - a Proposal of Typology

Mery Cândido de Oliveira, ABC Medical School, Sao Paulo, Brazil

Room L QUELLES RECHERCHES, QUEL ENCADREMENT POUR LES PAYS À FAIBLE ET MOYEN REVENUS?

Contexte de l'encadrement éthique de la recherche biomédicale au Bénin

Marius Kêdoté, Université de Montréal

Mise en Place du comité d'éthique pour la Recherche biomédicale au Rwanda

Jean-Paul Rwabihama, Hôpital Lariboisière, Paris, France

L'encadrement de la recherche dans les pays en développement

Majed Zemni, Ministry of Public Health, Republic of Tunisia

THURSDAY, JULY 2ND, 2009

9:00 AM

Room A THERAPEUTIC JURISPRUDENCE AND THE CRIMINAL PROCESS

Developing New Therapeutic Jurisprudence Practices and Techniques in Criminal Defense Lawyering

David B. Wexler, University of Arizona

Therapeutic Jurisprudence, the Death Penalty and the Significance of Life

Egardo Rotman, University of Miami

The Currency of Capital Punishment: The Extraordinary Toll on Health and Well Being in the Absence of Therapeutic Jurisprudence
Melodee A. Smith, Nova Southeastern University

Reentry and Resettlement: Getting the Process Aligned with Principles of Therapeutic Jurisprudence
Nancy Wolff, Rutgers University

Room B ASSESSING THE VALIDITY OF MEMORY REPORTS IN THE COURTROOM

The Relationship between Consistency and Accuracy of Eyewitness Testimony
Ron Fisher, Florida International University

What Can Witness Confidence Tell us about the Accuracy of their Memory Reports?
Neil Brewer, Flinders University of South Australia

The Reliability of Children's Eyewitness Testimony: Good Interviews Make for Good Evidence
Margaret-Ellen Pipe, Brooklyn College, CUNY

Discriminating Fact from Fiction in Recovered Memories
Elke Geraerts, University of St. Andrews

Legal Implications of Psychological Research on the Validity of Memory Reports
Greg Mitchell, University of Virginia

ROOM C COMPETENCE TO STAND TRIAL AND THE NATURE OF THE OFFENCE

Competence to Stand Trial: A Grey Case
Simon Wilson, Institute of Psychiatry, London UK

Fitness to Plead: Remake, Remodel
Nigel Blackwood, Institute of Psychiatry, London, UK

The Influence of the European Convention on Human Rights on Fitness to Plead
Tim Exworthy, Institute of Psychiatry, London, UK

Competence to Stand Trial and the Seriousness of the Charge
Alec Buchanan, Yale University Medical School

Competence to Stand Trial and the Nature of the Offence: Reforming the Law
Clare Wade, Law Commission for England and Wales, London, UK

Room D **EFFECTIVELY MANAGING COMPLEX ETHICAL AND SAFETY ISSUES IN THE COMMUNITY SETTING: AN INTEGRATIVE ETHICAL DECISION-MAKING PROCESS FOR CAPACITY, INTEGRATION AND SUSTAINABILITY**

An Ethical Approach for Safety and Risk in Community Based Health Care –
Building Ethical Capacity and Sustainability
Inta Bregzis, WWCCAC, Waterloo, Canada

Application of a Systematic Ethical Decision-making Framework to a Complex
Community-Based Situation
Joseph Chandrakanthan, University of Toronto

The Right to Self-Governance and Power Structures and Influences in
Community-Based Care Delivery
Edgardo Perez, Homewood Health Centre, Guelph, Canada

Making Sound Ethical Decisions throughout the Health Care Continuum
Steve Abdool, University of Toronto

Room E **MY SPACE' AND TREATMENT SPACE: A PRACTITIONERS GUIDE TO SOCIAL NETWORKING AND INTERNET SEARCHES**

Tips for Therapists and Patients Navigating Cyberspace
Rita Hargrave, University of California, Davis

The Cyber Generation of Children and the Child Psychiatrists Who Treat Them
Sarghi Sharma, University of Texas

Internet Searches and Social Networking in Forensic Mental Health Assessment
Tracy D. Gunter, University of Iowa

Legal Implications of Provider's Searching and Blogging in the Therapeutic
Space
Nicolas P. Terry, Saint Louis University School of Law

Child Internet Victimization: Project Development & Preliminary Results
Robert Prentky, Fairleigh Dickinson University

Room F **THE VEXED RELATIONSHIP BETWEEN PSYCHIATRY AND THE LAW**

The Clinical, Legal and Ethical Roles of Psychiatrists in the Late Termination of
Pregnancy in Australasia

Kirsty Morris, University of Sydney

The Danger in Dangerousness: Why the Obligatory "Risk of Harm" Criterion for Involuntary Treatment Should be Removed from Mental Health Acts

Chris Ryan, University of Sydney

Psychiatrists and Social Justice

Michael Robertson, University of Sydney

Waiving Constitutional Rights in U.S. Death Penalty Cases: Suicide by Court?

Richard Martinez, University of Colorado Denver

Assessing Competence to Represent Oneself: A New Forensic Psychiatric Task?

Hy Bloom, Ontario Review Board, Toronto, Canada

Room G CERTAINTY AND EXPERT MENTAL HEALTH OPINIONS IN LEGAL PROCEEDINGS

“Certainty” and Expert Mental Health Opinions in Legal Proceedings: A Research Study

Michael Lamport Commons, Harvard Medical School

“Certainty” and Expert Mental Health Opinions in Legal Proceedings

Eric Y. Drogin, Harvard Medical School

“Certainty” and Expert Mental Health Opinions in Legal Proceedings: A Research Study: An Ethical Perspective

Donald Meyer, Harvard Medical School

“Certainty” and Expert Mental Health Opinions in Legal Proceedings: Practical Applications

Donna Norris, Harvard Medical School

Discussant

Thomas Gutheil, Harvard Medical School

Room H CHILD VICTIMIZATION: RESEARCH ON SEXUAL ASSAULT, ABDUCTION, AND HOMICIDE

Criminal Histories of Child Abductors

James O. Beasley, FBI National Center for the Analysis of Violent Crime, Quantico, USA

False Allegations of Child Abduction

Kathleen E. Canning, FBI National Center for the Analysis of Violent Crime, Quantico, USA

Internet-Related Child Sexual Exploitation

Jennifer D. Eakin, FBI National Center for the Analysis of Violent Crime, Quantico, USA

Behavioral Analysis Manual: Glossary Of Terms

James T. Clemente, FBI National Center for the Analysis of Violent Crime, Quantico, USA

Room I REJECTION AND SHAME IN CLINICAL PRACTICE

The Shame Response to Rejection

Herbert E. Thomas, New York City, USA

“The Shame Response to Rejection” as a Treatment Modality in Psychotherapy
Abraham L. Halpern, New York Medical College

Shame and Social Pain: Mechanisms of Rejection and its consequences

Maurice Preter, Columbia University

Room J TECHNOLOGY, LAW AND DISABILITY

Psychiatric Imagery: Corporate Construction of Minds Through Pharmaceutical Advertising And Proposed Responses

Patricia Peppin, Queen’s University

Beyond The Body: Law and The Regulation Of Enhancement Technologies

Belinda Bennett, University of Sydney

Determining Disability: Lessons from The Reproductive Context

Roxanne Mykitiuk, Osgoode Hall Law School

Influencing, Informing or Enforcing: The Role of Law in Defining Disability in the Genetic Counseling Context

Isabel Karpin, University of Sydney

Border Zones: Conceptualising 'Serious Disability' In End-Of-Life Decisions for Children

Kristin Savell, University of Sydney

Room L ISOLEMENT ET CONTENTIONS : ETAT DES LIEUX

Droits fondamentaux en psychiatrie et encadrement légal des mesures de contrôle:
l'exemple problématique de la contention chimique
Emmanuelle Bernheim, Université de Montréal

Pratiques infirmières lors d'épisode d'isolement
Caroline Larue, Université de Montréal

Les balises à l'utilisation des mesures de contrôle pour promouvoir la prévention
et favoriser une réduction du recours exceptionnel à ces mesures
Geneviève Ménard, Hôpital Louis-H. Lafontaine, Montreal, Canada

Perception de l'agressivité et la gestion de la violence en santé mentale
Alexandre Dumais, Hôpital Louis-H. Lafontaine, Montreal, Canada

Prévention et gestion des comportements agressifs en milieu psychiatrique:
Catégories de savoirs à acquérir chez le personnel soignant
Éric Ahern, Université du Québec à Trois-Rivières

Philosophie de la formation Oméga et problématique de l'emploi de la force dans
l'intervention en santé mentale
Jean-François Labrecque, Institut Philippe Pinel, Montréal, Canada

11:00 AM

Room A INVESTIGATIVE INTERVIEWING: A THERAPEUTIC JURISPRUDENTIAL
APPROACH

Training Police to Interview Suspects in a Humane Way: Any Success?
Ray Bull, University of Leicester

Police Interviewing Styles and Victims' Well Being
Ronald Fisher, Florida International University

Psychological Well-Being, Humanity and Dominance in Police Interviews;
Causes and Effects
Ulf Holmberg, Kristianstad University College

The Psychology of Rapport: Five Fundamental Rules for a Successful
Investigative Interview
Michel St-Yves, Sûreté du Québec

Room B ACTUAL ASPECTS OF FORENSIC PSYCHOTHERAPY

The Role of Special Outpatient Clinics within Mandatory Supervision in Germany
Steffen Lau, Charite University Medicine Berlin

Intramural Psychotherapy for “Other Dangerous Offenders”: Experiences of the
 Kiel Therapy Programme for Violent Offenders
Christian Huchzermeier, University of Kiel

Involuntary Psychotherapy: A Contradiction?
Susanne Goering, University of Magdeburg

Actual Aspects of Suicide Prevention in Prisons and Jails
Norbert Konrad, Charite University Medicine Berlin

Malingering in the Forensic Field: A Retrospective Evaluation over 39
 Individuals Evaluated in the Chilean Medical Legal Service, Over a Period of Six
 Years
Inge Onetto Muñoz, Servicio Medico Legal de Chile, Capreneda, Chile

Room C **RECENT RESEARCH ON MINORITIES**

An Examination of the Mental Health & Relationship Effects of the
 Internalization of Engendered Racial Stereotypes and Myths on Black Women
Huberta Jackson-Lowman, Florida A&M University

What is a Traditional Family in African American Communities?
Kale Woods, Mercer University

Therapy for Migrants from Eastern Europe -Experience in an Outpatient
 Psychiatric Clinic
Werner Platz, Vivantes- Outpatient Psychiatric Clinic II, Berlin, Germany

Alternate Models for Legal and Clinical Management of Families in Crisis and
 Children in Need of Aid
Lisa Rieger, Cook Inlet Tribal Council, Inc., Anchorage, USA

Room D **ALTERNATIVE DISPUTE RESOLUTION**

Philosophical Justice Foundations for ADR
Dale Dewhurst, Athabasca University

Conflict Prevention & Dispute Avoidance Through Teambuilding—Can it be
 Transferred to Legal/Medical teams?

Bhushan S. Agharkar, Comprehensive Psychiatric Services of Atlanta, Georgia, USA

Dialectics & Dispute Resolution: Does Court Annexed Mediation Institutionalize the Alternative?

Daniel Yamshon, National Commercial Panel of the American Arbitration Association Sacramento, USA

Room E DIMENSIONS OF COMPETENCY

Restricted Involuntary Treatment Orders: Sentencing the Psychiatrically Disordered Offender

Danielle Andrewartha, Monash University

Overlooked Issues of Language Processing Competence in Court

Anna Scherzer, Forensic Psychiatrist, Phoenix, USA

The Abolition of the Insanity Defense: A Necessary Development for Legal Clarity and Intellectual Honesty

James Grant, University of the Witwatersrand

Gender Differences in Diagnoses of Mentally Disordered Offenders

Jenny Yourstone, Centre for Violence Prevention, Topeka, USA

Room F DISABILITY AND DISCRIMINATION

Intellectual Disability in New Zealand: Is the Court System fit to take a plea?

Tony Ellis, Barrister, Wellington, New Zealand

The UN Convention on the Rights of Persons with Disabilities

Tina Minkowitz, Center for the Human Rights of Users and Survivors of Psychiatry, Albany, USA

Reconciling Inclusion and Nondiscrimination

Lynda E. Frost, University of Texas at Austin

Mental Health as a Human Right

Lance Gable, Wayne State University

Room G MIGRATION AND MENTAL HEALTH: AVAILABILITY OF RESOURCES

Allocating Health Care Resources According to Needs: A New Index of Equity in Health Care

Juan Merlo, Lund University

Normal Life Crises and Insanity: Mental Ill-health Contextualized
Karin Ingvarsdotter, Malmö University

The Cultural Breakdown of Lifeworld
Aje Carlbom, Malmö University

Cultural Aspects of Mental Ill-Health: Examples from the Somali Group in Sweden
Sara Johndotter, Malmö University

Neighbourhood Effects on Immigrant Children's Mental Health and Well Being
Anna-Karin Ivert, Malmö University

Room L MÉDECINE LÉGALE ET EXPERTISE PSYCHIATRIQUE

Evaluation des déclarations d'abus sexuels des enfants : Étude comparative des méthodes intuitive, clinique et standardisée
Gérard Niveau, Centre Universitaire Romand de Médecine Légale

Les difficultés du syndrome de Ganser, à propos d'un cas au pénitencier de Guyane
Florent Trape, Service de Médecine Légale

Le « plaider coupable » français : quel sentiment de justice chez les prévenus passant en audience de « comparution sur reconnaissance préalable de culpabilité »?
Nathalie Przygodzki-Lionet, Université de Lille 3

Prélèvement d'organe à but thérapeutique et mort violente
Rémi Costagliola, Service de Médecine Légale

La requête en examen psychiatrique obligatoire au service d'un usager et d'une équipe multidisciplinaire
Louis E. Dubois, CSSSGatineau, Canada

2:00 PM

Room A SCIENCE NOT MYTH AS INVESTIGATIVE TOOL IN RAPE CASES: A THERAPEUTIC JURISPRUDENCE PERSPECTIVE

Criminalizing the Sex-Buyer as a Proactive Means, and Rape Law Based on Coercion as an Obstacle, to Gender Equality
Christian Diesen, Stockholm University

False Rape Allegations - Myth or Reality?

Eva L. Diesen, Stockholm University

Different Systems, Similar Outcomes? Tracking Attrition in Reported Rape Cases in Eleven Countries

Liz Kelly, London Metropolitan University

Mandatory Arrest Policies' Failure in Intimate Partner Sexual Violence: A Therapeutic Jurisprudence Analysis

Leonore M. J. Simon, East Tennessee State University

Room B THE VARIOUS MEANINGS OF TRAUMA II

Competing Accounts of Mental Illness and their Implications

Francis K Schrag, University of Wisconsin-Madison

The Roots of Historical Consciousness and the Law in Homer's Iliad Homer's Iliad

Gabriel R. Ricci, Elizabethtown College

Psychological Trauma and Criminal Jurisprudence

Reid G. Fontaine, University of Arizona

Conjuring Transcendence: Karl Barth's Response to Modern German Trauma Culture

Rudy Koshar, University of Wisconsin-Madison

Theology and Trauma: Freud and Scholem on Monotheism and Mysticism

Jerome E. Copulsky, Goucher College

Room C RISK ASSESSMENT IN PENAL INSTITUTIONS

The "Prognosezentrum": A Centralized, Multiprofessional Approach to Risk Assessment in Male Offenders in the German Legal System

Susanne Brandler, JVA Hannover, Germany

Optimization of Standardized Risk Assessment in the Penal System of Lower Saxony

Eberhard Heering, Charite University Medicine Berlin

The Current Practice of Risk-assessment in Forensic Hospitals in Germany

Uwe Dönisch-Seidel, Forensic Psychologist in Private Practice, Ministry of Health, Dusseldorf, Germany

Risk Assessment and Management in a Forensic Psychiatric Clinic
Guntram Knecht, Klinikum Nord, Hamburg, Germany

Risk Assessment in Outpatient Offender Treatment: Challenges by a New Law in Germany
Herbert Steinböck, Klinikum Haar, Munich, Germany

Room D MITIGATION AND CULTURE IN CAPITAL PUNISHMENT

The Common-Sense Nature of Mitigation
Jackie Page, Federal Defender Organization of Southern District of Alabama, USA

Culture in Capital Cases
Jesse Cheng, University of California Irvine

Role of Social Histories in Capital Case Defense in the United States
Scharlette Holdman and Holly Jackson, Center for Capital Assistance, San Francisco, USA

Explaining Culture to Save Your Client's Life
Jacqueline K. Walsh, Walsh & Larranaga, Seattle, USA

The Mitigation Story: A First Step on the Road to Restorative Justice?
Carlos Williams, Federal Defender Organization Southern District of Alabama, Mobile, USA

The Ethics of a Physician's Testifying for the State in Capital Cases
Bradley A. MacLean, The Tennessee Justice Project, Nashville, USA

Room D INFANTICIDE AND HOMOCIDE

Filicide: An Austrian Overview on the Decade 1995-2005
Sabine Amon, Medical University of Vienna

Differentiating Child Homicide by Parents and by Strangers
Frans Koenraadt, Utrecht University

Is Prevention of Neonaticide Possible? An Austrian Experience
Claudia Klier, Medical University of Vienna

Room L INTERVENTIONS DES FORCES DE L'ORDRE ET COMPORTEMENTS DES CITOYENS

Impact d'une augmentation de la répression policière sur le bilan routier
Montréalais
Isabelle Beaudoin, Université de Montréal

Quand la police fait augmenter le crime : évaluation d'une opération policière
proactive
Rémi Boivin Université de Montréal

L'effet sur les collisions avec blessures du relâchement dans l'émission de
constats d'infraction par les policiers
Etienne Blais, Université de Montréal

Effet des législations entourant le contrôle des armes à feu sur les homicides et les
suicides au Canada
Marie-Pier Gagné, Université de Montréal

4:00 PM

Room A THERAPEUTIC JURISPRUDENCE AND SOCIAL CHANGE

Treaty obligations, Mental Health, Maori and Therapeutic Jurisprudence
Valmaine Toki, University of Auckland

Quiet Riots in the Courts: Therapeutic Jurisprudence on Urban Terrain
Donald Jones, University of Miami

Western Legal Systems in a Sustainable Multicultural Society
Alex de Savornin Lohman, Civil Attorney Utrecht, The Netherlands

Unrestricted Public Interest (Maslahah Mursalah): A Therapeutic Principle of
Islamic Jurisprudence
Muhammad Ahmad Munir, International Islamic University

On Law and Responsiveness to Suffering
Ya'ir Ronen, Ben-Gurion University of the Negev

Room B DOES GOOD PSYCHIATRIC PRACTICE DEPEND ON CULTURE?
SAKURA, A PROJECT ON SECLUSION AND RESTRAINT IN FINLAND AND
JAPAN

Overview of the "Sakura"
Grigori Joffe, Helsinki University Hospital, Helsinki, Finland

Legislation and Guidelines on Seclusion and Restraint
Päivi Soininen, Kellokoski Hospital, Tuusula, Finland

Staff Attitudes and the Use of Seclusion and Restraint
Eila Sailas, Kellokoski Hospital, Tuusula, Finland

Content of Nursing Care during the Seclusion and Restraint Process
Maarit Kinnunen, Helsinki University Hospital, Helsinki, Finland

Decision Making on Initiating Seclusion and Restraint
Tero Laiho, Aurora Hospital, Helsinki, Finland

Are there Alternatives to Seclusion and Restraint?
Raija Kontio, Kellokoski Hospital, Tuusula, Finland

Room C **APPROACHES TO RISK MANAGEMENT IN EMERGENCY, TRIAGE, AND ACUTE CARE SETTINGS**

Developing Clinical Practice Guidelines for Violence Risk Assessment in Mental Health Triage: A Systematic Review
Natisha Sands, University of Melbourne

The Acutely Agitated Emergency Department Presentation
Jonathan Knott, Royal Melbourne Hospital

Responding to Aged Abuse in Acute Health Care: Whose Responsibility?
Lynette Joubert, University of Melbourne

Minimizing Mechanical Restraint in Acute Health
Cathy Daniel, University of Melbourne

Responsiveness: Minimizing Risk and Promoting Users' Rights in Mental Health Triage
Tristan Vasquez, University of Melbourne

"Uncertain risk for safety?": Adapting the Canadian Emergency Department Triage Acuity Scale for mental health presentations
Diana Clarke, University of Manitoba

Room D **ESTABLISHING A FORENSIC SECTION IN AN ACADEMIC PSYCHIATRY DEPARTMENT TO ADDRESS PSYCHIATRIC NEEDS IN LEGAL OFFICES**

Temple's Forensic Medicine Institute
Steven Todd Gold, Temple University

Establishing a Forensic Section in an Academic Psychiatry Department to
Address Psychiatric Needs in Legal Offices

David Baron, Temple University School of Medicine

Proposed Field of Expertise within Temple's Forensic Medicine Institute

Sandra Wang, University of Pennsylvania

Major Depressive Disorder in United States Lawyers

Steven A. Ager, Temple University

The Disabled Lawyers Have Arrived: Are They Welcomed With Open Arms Into
The Legal Profession? An Emperical Study Of The Disabled Lawyer

Donald H. Stone, Northern Illinois University

Room E THE EFFECT OF NEW LEGISLATION FOR MENTALLY DISORDERED
OFFENDERS IN JAPAN

Japan's CTO Under The Insufficient Psychiatric Community Services

Saburo Matsubara, Matsubara Hospital, Kanazawa, Japan

Short Length Of Stay In Secure Units, And Low Re-Offending Rate In Japan
